The Voices Within Charles Fernyhough, 2016-10-04. A luminous exploration of the nature of thoughts from daydreams to the voices in our heads. At the moment you caught sight of this book, what were you thinking? Was your thought a stream of sensations? Or was it a voice in your head? Did you ask yourself, I wonder what that's about? Did you answer? And what does it mean if you did? When someone says they hear voices in their head, they are often thought to be mentally ill. But as Charles Fernyhough argues in *The Voices Within*, such voices are better understood as one of the chief hallmarks of human thought. Our inner voices can be self-assured, funny, profound, hesitant, or mean; they can appear in different accents and even in sign language. We all hear them, and we needn't fear them. Indeed, we cannot live without them; we need them whether to make decisions or to bring a book's characters to life as we read. Studying them can enrich our understanding of ourselves and our understanding of the world around us; it can help us understand the experiences of visionary saints who might otherwise be dismissed as schizophrenics; to alleviate the suffering of those who do have mental health problems; and to understand why the person next to us on the subway just burst out laughing for no apparent reason. Whether the voices in our heads are meandering lazily or clashing chaotically, they deserve to be heard. Bustling with insights from literature, film, art, and psychology, *The Voices Within* offers more than science; it powerfully entreats us all to take some time to hear ourselves think.

Radio Comedy Gregory Donald Stemen, 1972. **The Bickersons' Love Letters** Ben Ohmart, 2010-06. Never before have the infamous love letters between John and Blanche Bickerson seen the light of day, and this collection shows just why. This amazing testament to the strength of marriage celebrates the true depth of feeling the squabbling couple felt for one another. And no, it wasn't always bickering. Unearthed at last are their origins, how they met, who they are, their very different backgrounds. Now experience for a change the love shared between two people who were obviously made for one another. I'm sure you've all heard about the *Lost Honeymooners* Episodes, but Ben Ohmart has done

us one better He s found the Lost Love Letters of John B and Blanche P who were later to reap radio fame and fortune as The Battling Bickersons With the aid of their only child Jules he has painstakingly recreated their historical and hysterical correspondence from a high school crush to an elopement in 1939 The results are also painful as your sides will be aching with laughter Fans of OTR rejoice This is a great compliment to the previously published scripts representing their audio triumph of years past Phil Proctor of The Firesign Theatre Ben Ohmart s discovery of the Bickerson s love letters is the dysfunctional lover s equivalent of finding the Dead Sea Scrolls Jay Johnson Chuck and Bob on Soap A Bottle of the Month Club Selection
