Thomas Johnson-Medland,2011-06-01 There are a lot of books about leadership out there I wanted to stir the pot and make some suggestions that I have not heard yet Leadership is not about sticking qualities all over yourself like dozens of yellow sticky notes Today I will learn time management Tomorrow I will develop integrity Mere information is not enough to change us Data may lead to transformation but it is not enough to transform us on its own Leadership is not about trends and

buzzwords Leadership is about personhood Personhood is where this transformation truly takes place Leadership may perseverate into any one of these things stickies trends information data and buzzwords but it is ultimately and ideally about personhood This may be a philosophical category that the church has left off discussing but it meant a lot to the ancients We need to stir some of their depth back into our existence One s genuine ability to lead comes from one s genuine transformation into the kind of person that is needed for the particular form of leading at hand Different traits will be called forth from the leader depending on the situation place time and people It is the person who is the leader and not the trait or characteristic that is the leader Being is critical not just doing I think a lot of our current reading on leadership is simply about skill sets They are important discussions but that is not all there is Do not get me wrong I am not saying you must be perfect to lead If that were the case I would not be able to write this book What I am saying is that your identity is where your true leading comes from and if you are in a transformational relationship with Jesus the chances are good that your person and identity will deepen over time [Prayer Journal | Vision Journal | Christian Notebook | Minimalist Journal | Habakkuk 2:2 Write the Vision | 6 X 9 | 120 Pages | Ruled Lined White Pages](#) Dynamic Books,2021-03-19 And the Lord answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 KJV This Prayer Journal is for you to write all of your visions and God given ideas for your big purpose in life Write down your dreams feelings and visions to build your life in the will of God Write down your answers and how God moves in your life over time Write down every desire of your heart and the promises God has given you in this very journal and keep it near 200 pages 6 x 9 White Pages Black White Interior **Write the Vision and Make It Plain** Valerie Gandy,2020-08-12 Write the vision and make it plain This scripture journal is to help write the vision concerning the things you are looking to and believing God for within your life It is also to help journal your daily walk with Christ as well as the things that matters most in your life Pouring out the heart onto paper and presenting it before God to bless favor and make plain the path to take for your daily life The Bible tell us in Habakkuk 2 2 Write the vision and make it plain upon tables that he she may run that readeth it As you write and believe God for the things you re looking to Him for you will begin to see as you turn the pages of your journals how God hears and answers your prayers You will be reminded daily of God s promises favor and blessings concerning your life Starting today write your vision and make it plain in your journal as God make it plain to you the way in which you should run
