Already published authors who want to jump start lagging sales or launch a new series will also benefit from nuts and bolts marketing advice as well as inspiration for the long haul of their publishing journey Susan Kaye Quinn is the author of the Singularity Series the Mindjack Trilogy and the Debt Collector serial as well as other speculative fiction works and has been indie publishing since 2011 She s not an indie rockstar or a breakout success she s one of thousands of solidly midlist indie authors making a living with their works This book is based on her experience in self publishing fiction the First Edition was published in 2013 the Second Edition in 2015 updated to account for changes in the industry It s a guide to help her fellow writer friends take their own leaps into the wild and wonderful world of indie publishing and not only survive but thrive Coming Soon For Love or Money Crafting An Indie Author Career The Indie Author Survival Guide is designed to take a first time publishing author through the publication of their first indie book For Love or Money looks at parlaying that first book into a career TESTIMONIALS FOR THE GUIDE I recently became an indie author I was lucky enough to find this book at just the right time and it became my bible It s still the most useful how to book on my writing shelf Garrett Davis author of Port Starbird Indie publishing can be a jungle Susan provides you with a map a compass and best of all a machete to get through the tangles Not only educational it s inspirational and my go to book whenever I feel lost Annetta Ribken author of Still Not Nice or the Strange Planet Inside My Head I regularly recommend this book to people who want to break into indie Great advice great community Kim Wells author of Mariposa I recommend The Indie Author Survival Guide to anyone who wants to enter self publishing with a solid foundation I discovered it a few years after I began my series and still learned a lot from it Patricia Gilliam author of The Hannaria Series
