sadness over the evils happening in this society But I am not a writer I have not written any novel or short story or any article published in a book or a magazine I have not written a single poem for the world to read not a memoir in honor of somebody whose life I wish to cherish But I have long wanted to write a book I just didn't know how to do it And even if I wrote small pieces I didn't think they could qualify for publication yet I have always been struck with the idea of writing I love the cuteness of poetry and the entertaining power of stories In this book you will learn that personal writing can turn into book publishing and that writing your personal reflections on various issues and subjects could be a way of sharing life messages to those who need them It has been a tremendous task but the determination to write and share my story made this book a reality
