Writing Commercial Fiction:

Writing Commercial Fiction John Stevenson, 1983 Discusses the functions of plot characterization and dialogue in fiction and recommends techniques for writing romance Western mystery suspense and science fiction novels **How To Write Commercial Fiction That Sells** Josh Coker, 2023-03-19 ATTENTION FICTION WRITERS If you're having trouble writing commercial fiction please read this DISCOVER HOW TO WRITE BLOCKBUSTER STORIES LIKE A PRO without years of research and practice If you would like to create stories that resonate with your audience and sell like crazy regardless of your writing experience or genre this is the most important book you'll ever read BUT FIRST A WARNING Before we go any further let me make something abundantly clear This isn't one of those get rich quick books that promise you a fortune for doing nothing Here's the deal The system outlined in this book is working great for me and I believe it can help you too It's helped our publishing company sell books in multiple formats to various customers worldwide But I'm not suggesting that everyone or anyone who reads it is going to make a lot of money I don't know how much the people who read it will make It's likely that many or most of them will make little or nothing at all especially if they don't follow the directions and work hard With that said let me jump right in and show you EXACTLY WHAT YOU'RE GETTING TODAY First of all this isn't like any other writing book you've ever read It's more of a field guide to writing commercial fiction than a traditional book on writing There's no fluff or filler just battle tested strategies and tactics that are working right now And it's easy to read At 70-ish pages you can read it in a day or two And you'll immediately get the entire system our company personally uses to write commercial fiction And even though I personally use this system to write science fiction and fantasy these techniques TRANSCEND genre See you can use the same methodologies in this book to create all kinds of fictional characters in short stories screenplays novellas AND even novels no matter the genre So like I said there's more to this little book than just fiction writing Here's a fraction of what you're getting How to write a fiction story even if you've never written a book before What they don't want you to know about storytelling How to develop a theme that resonates with readers in 3 simple steps The classic 3 act structure that all blockbusters follow Why you should never write your story from the heart How to create an impactful character arc for your hero The truth about commercial fiction Why plotting out your story first is the only approach that works How to write a hero that your audience will immediately embrace Countless character examples from blockbusters myths books video games and TV series Over 25 end of chapter action steps that you can implement in your story immediately The 3 critical characters every commercial story must have Why you should never have a perfect hero Can you write your characters wrong A warning against stereotypes How NOT to write a villain How to write characters that feel real without going through a four page character study So don't delay Get your copy today and make your characters even better Commercial Fiction Vernon Frazer, 2002 A Wild wacky and wonderful roller coaster ride through the amusement park of contemporary television **Writing the Bestseller II: Romance and Commercial Fiction** Lindsey
