Ebenezer Cobham Brewer

Utopia Reader:

The Utopia Reader Gregory Claeys, Lyman Tower Sargent, 1999-11 Child molesting priests embezzled church treasures philandering ministers and rabbis even church endorsed pyramid schemes that defraud gullible parishioners of millions of dollars for the past decade clergy misconduct has seemed continually to be in the news Is there something about religious organizations that fosters such misbehavior Bad Pastors presents a range of new perspectives and solidly grounded data on pastoral abuse investigating sexual misconduct financial improprieties and political and personal abuse of authority Rather than focusing on individuals who misbehave the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves stemming from hierarchies of power in which trusted leaders have the ability to define reality control behavior and even offer or withhold the promise of immortality Arguing that such phenomena arise out of organizational structures the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective Bad Pastors moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct from violence against women to the role of charisma and abuse of power in new religious movements Highlighting similarities between other forms of abuse such as domestic violence the volume helps us to conceptualize and understand clergy misconduct in new ways

Utopian Audiences Kenneth M. Roemer, 2003 How do readers transform Utopia How do they manipulate imaginary worlds to gain new perspectives of their own worlds In order to answer these and other questions this study employs a wide spectrum of reader response approaches to define the nature and impact of utopian literature

The Reader's Digest DeWitt Wallace, Lila Acheson Wallace, 1928 *Reader's Adviser and Bookman's Manual*, 1921

Democratic Swarms Page duBois, 2022-05-04 Considers how ancient Greek comedy offers a model for present day politics With *Democratic Swarms* Page duBois revisits the role of Greek comedy in ancient politics considering how it has been overlooked as a political medium by modern theorists and critics Moving beyond the popular readings of ancient Greece through the lens of tragedy she calls for a revitalized look at Greek comedy Rather than revisiting the sufferings of Oedipus and his family or tragedy's relationship to questions of sovereignty this book calls for comedy its laughter its free speech its wild swarming animal choruses and its rebellious women to inform another model of democracy Ancient comedy has been underplayed in the study of Greek drama Yet with the irrepressible energy of the comic swarm it provides a unique perspective on everyday life gender and sexuality and the utopian politics of the classical period of Athenian democracy Using the concepts of swarm intelligence and nomadic theory duBois augments tragic thought with the resistant utopian libidinous and often joyous communal legacy of comedy and she connects the lively anti authoritarianism of the ancient comic chorus with the social justice movements of today
