Healing Through The Vagus Nerve, 2023-07-14 Are you looking for ways to calm your body and your mind Perhaps you often find

yourself struggling with anxious thoughts but you can't manage to control them. Maybe you struggle with other health issues such as gut health or inflammation and you find it hard to stay on top of these illnesses. When dealing with issues like this, it can be incredibly hard to get a grip on your emotions and feelings without assistance. That's where *Healing Through the Vagus Nerve* comes in handy. This book will teach you the little-known secret to reducing stress and anxiety in natural ways with powerful self-help techniques and exercises by stimulating and activating your vagus nerve. Inside *Healing Through the Vagus Nerve*, discover fascinating facts about how the vagus nerve came to be and the theory behind its benefits. More than 10 conditions the vagus nerve can help with. Over 15 different easy techniques, exercises, and daily habits you can implement to help these conditions. Ways to obtain better mental and physical health. Why the world-renowned Dr. Stephan Porges said the vagus nerve is the secret mind-body connection. How to improve your mood. And much more. **IELTS SPEAKING 2022**

| LATEST SPEAKING TOPICS FOR IELTS DARSHAN SINGH, 2021-03-07 ABOUT THE BOOK This book is written after thorough research in the field of IELTS. This book will offer you a comprehensive variety of topics that are asked by the examiners in the IELTS Speaking Test. This book contains more than 1000 solved questions and answers for the follow-up round as well as 200 solved Cue card topics from the past and current exams. This book includes four parts in which the solutions are given for all the questions. This book should be read systematically to gain a high band score in your IELTS exam. This book contains 2000 useful vocabulary words along with speaking tips for the candidates. Read all those tips before you go to the exams. This book is a compilation of the most common and frequent questions and topics asked in the IELTS speaking test. This is entirely guesswork and shouldn't be considered as the final syllabus of the exam. FROM THE AUTHOR I have been in the field of education for the past 10 years. I have the experience of training more than 10,000 students over a decade for the IELTS exam. I have collected the latest data by interacting with the candidates that have taken the IELTS exam from all over India. With extensive research and foresight, this book has been amassed for your help in the speaking module of IELTS. Don't try to memorize the content; instead, read it, take out ideas from it, and use these ideas while speaking practice. I have compiled my experience of training from all these years and have locked it in this book. So what are you waiting for? You have the key to this lock now. Open this book and be successful. I hope this book helps you in achieving your goals.

Supercharge Your Brain James Goodwin, 2022-01-04 The definitive guide to keeping your brain healthy for a long and lucid life by one of the world's leading scientists in the field of brain health and ageing. The brain is our most vital and complex organ. It controls and coordinates our actions, thoughts, and interactions with the world around us. It is the source of personality, our sense of self, and it shapes every aspect of our human experience. Yet most of us know precious little about how our brains actually work or what we can do to optimise their performance. Whilst cognitive decline is the biggest long-term health worry for many of us, practical knowledge of how to look after our brain is thin on the ground. In this groundbreaking new book, leading expert Professor James Goodwin explains how simple strategies concerning exercise, diet, social

life and sleep can transform your brain health paradigm and shows how you can keep your brain youthful and stay sharp across your life Combining the latest scientific research with insightful storytelling and practical advice Supercharge Your Brain reveals everything you need to know about how your brain functions and what you can do to keep it in peak condition
