The History of the Augsburg Confession John Henry Wilbrandt Stuckenberg, 1897 *The Confession* Sheldon Siegel, 2010-09-06

Confessions abound, some of them quite unexpected in Sheldon Siegel's new legal thriller *Mike Daley* doesn't go to confession much since he left

the priesthood twenty years ago and became a lawyer but that doesn't stop his old friend Father Ramon Aguirre from trying to get him there. It wouldn't kill you to go to church once in a while, he tells Mike. But it does kill someone. For several months a ruinous sexual harassment suit has been building against the San Francisco Catholic Archdiocese and when the plaintiff's lawyer is found dead, an apparent suicide, an almost audible sigh of relief is heard in certain quarters. But that is before the police find evidence of murder. Even worse, the evidence points to Father Aguirre. Mike and his ex-wife-law partner Rosie jump in to take the priest's case, but what started out as difficult soon appears impossible as forensics witnesses and secrets from Father Aguirre's past all incriminate their client. Soon their wits are the only things keeping the priest from a life sentence or worse, and wits simply may not be enough unless they can conjure up a miracle of their own.

[The Use of Confessionary Evidence under the Counter-Terrorism Laws of Sri Lanka](#) Visakesa Chandrasekaram, 2025-10-01 For more than three decades the Liberation Tigers of Tamil Eelam (LTTE) fought a gruesome war for independence against the majoritarian Sinhalese government of Sri Lanka. Even as the government fought LTTE on the battlefield, it also pursued a legal war through the enactment of counterterrorism laws that permitted indefinite detention and the use of confessions as sole evidence. This book applies theoretical insights from the work of philosophers such as Carl Schmitt, Giorgio Agamben, and Michel Foucault to the Sri Lankan context to examine the conflicting narratives relating to these laws produced by both sides in the conflict.

A History of the Mishnaic Law of Appointed Times, Part 3 Jacob Neusner, 2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam. From A History of the Mishnaic Law of Appointed Times Part 1. This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments, Ancient History, the ancient Near East, and the history of religion. In two volumes, leading American, Israeli, and European specialists in the history, literature, theology, and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise. The first is: what are the sources written and in material culture that inform us about that religion? The second is: how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity? The chapters set forth in simple statements intelligible to non-specialists the facts which the sources provide. Because of the nature of the subject and acute interest in it, the specialists also raise some questions particular to the study of Judaism, dealing with its historical relationship with nascent Christianity in New Testament times. The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship.

Recovering the Love Feast Paul Fike Stutzman, 2011-01-01 What is a Love Feast? How did the early church celebrate the Love Feast? How might Christians today celebrate the Love Feast? In *Recovering the Love Feast*, Paul Stutzman addresses these questions, offering a unique blend of liturgical history and practical theology. Part I outlines the history of the Love Feast, noting its prevalence in early church worship, its gradual decline, and its reemergence in the

practices of several Pietist groups e.g. the Moravians, Methodists and Brethren. Particular focus is given to five elements of the celebration that is eucharistic preparation, feetwashing, the fellowship meal, the holy kiss and the Eucharist proper. In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast. Rather than prescribing a specific method for celebrating the Love Feast, Stutzman proposes that there are five key disciplines that today's Love Feasts should embody: submission, love, confession, reconciliation and thanksgiving. This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship.
