Churnai,2018-07-31 In recent decades scholars have tended to interpret what Job says about death in one of two ways They interpret it either as part of the broader reading of death in the Old Testament or by imposing Ancient Near Eastern mythological concepts upon the text disregarding its nature as part of the Old Testament s wisdom tradition Varunaj Churnai attempts to redress the latter interpretation and treats the book of Job and its development and understanding of death contextually Churnai specifically looks at how Job presents the two faces of God God s wrathful face and God s gracious face Beyond Justice demonstrates that the retribution principle allows humans to know the hidden God as it illuminates the relationship between individual and Creator Through Job s experiences and heartfelt outpouring of his soul before both God s wrathful face and God s gracious face we can know God more fully Churnai shows how these faces of God are reconciled in the two divine speeches of YHWH which invite both Job and the reader to move beyond retribution theology to trust in the graciousness of God [A Devil Named Lucifer](#) Jared Brock,2025-03-11 Myth Busting the Father of Lies Despite growing secularization our culture still pays a lot of attention to the devil He shows up everywhere from movies to music and is blamed for all sorts of crimes natural disasters and the policies of politicians we don t like Yet in the Bible Satan is barely present barely speaks and is subject to God s authority So how has he gotten so much airtime in the lives of Christians and the wider culture Award winning biographer Jared Brock sorts through the myths and misinformation about the devil revealing a biblical adversary we need to know including his real name home and life story past present and apocalyptic future his actual powers and lack of power how to spot avoid and overcome his tests tricks and tactics When we have a biblical understanding of our adversary we ll see new and deeper ways to follow Jesus grasp our role in His epic story and find hope in Christ s absolute authority over all things **A Comprehensive History of the Church of Jesus Christ of Latter-day Saints** Brigham Henry Roberts,1930 **The Herald of Asia** ,1920 **Joint Volumes of Papers Presented to the Legislative Council and Legislative Assembly** New South Wales.
