**Rethinking Vocation** Eric Robinson, 2023-09-07 What does it mean to be called How does one discern his or her calling There has been much discussion about these topics within the church and perhaps much confusion as well What if we could root the nature of the believer's calling and vocation from a missional perspective This book seeks to understand how a deeper understanding of God's mission can help believers discern the work to which they are called and equip them for missional witness in and through their work Importantly rooting our understanding of vocation and calling in God's mission gives space for new emphases within the conversations related to faith and work including theologically and contextually grounded emphases on creativity vocational freedom and vocational discernment along with innovative educational models which can support believers as they navigate their work as participants in God's mission When believers connect their gifts talents and creativity with God's work in and for the world in a way that is contextually relevant it opens up opportunities for transformative witness for both believers and for the organizations they serve

A Preach Well Church Josh Taylor, 2023-04-12 Thirty eight percent of pastors have given serious thought to leaving full time ministry in the last year Between the COVID 19 pandemic and the unpredictable never done work of the ministry is it any wonder that many pastors have contemplated resigning Add to this church members unrealistic expectations and a knack for criticism and we see the toll this has taken on pastors and in one area in particular preaching Empty preachers are filling pulpits Is there anything church members can do to help their pastors with burnout and the essential stress of preaching week in week out After extensive research on the subject ninety seven pastors were asked What can your church members do to help you preach well Each chapter in this book is a commitment a clear concrete action developed from the study that church members can take to help their pastors preach well Each chapter also includes a section entitled A Word to Pastors that offers encouragement to those in ministry to help reduce their stress and become better preachers *Pastoral Leadership* Harold L. Senkbeil, Lucas V. Woodford, 2021-08-04 Christ s sheep need shepherding That s where you come in With more than 60 years of ministry between them Harold Senkbeil and Lucas Woodford have come to understand that everything in ministry even administration leadership and planning revolves around the ancient tradition of the care of souls Pastors are entrusted with the care of a flock by the Good Shepherd and are called to be faithful to this task But pastoring seems to be getting more and more difficult Based on a sound theological framework Senkbeil and Woodford present a set of practical tools for church leadership and strategy Calling on their vast experience they encourage pastors to protect guide and feed their flock as Jesus would bridging the eternal wisdom of the word of God with the everyday practicality of hands on leadership Originally published as Church Leadership Strategy this revision includes a new chapter and litany
