Secrets of Watchman Nee Dana Roberts, 2005 This is a well researched easy to read personal glimpse into the soul of one of the world's great teachers How to Study the Bible Watchman Nee, 1999 The Bible is the inspired word of God and every believer should study it in order to know the rich and vast content of God's divine provisions When God speaks He does so through His established word Therefore we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts In order to study the Bible we first must be proper persons having passed through the necessary spiritual training under the Lord's leading and guiding We must also use the right methods Many good books have been printed on how to study the Bible but most pay attention only to methods of studying the Bible They do not pay enough attention to the person who studies the Bible Even with the right methods we can receive very little in our study of the Bible if our person is not proper before the Lord **The Word of the Cross** Watchman Nee, 1992-06-01 Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry Conferences, Messages, and Fellowship (3) Watchman Nee, 1993-05-01 Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry
