"THE UNHOLY ROLLERS"

Unholy Rollers

Maura Lavery

Unholy Rollers:

Rollergirl Melissa Joulwan, 2007-04-06 The 1950s phenomenon of Roller Derby is back in full force and it's definitely not your grandma's game anymore. With leagues in more than one hundred cities across the country, a national tournament and major sponsors, the new wave of the sport has gone mainstream. No one is better qualified to tell the story of Flat Track Derby's astronomic rise than Melissa Melicious Joulwan. As a founding member of the Texas Rollergirls, the league that launched the sport and the reigning national champions, she has helped redefine what it means to be stylish, sporty, and sexy. With her mouthy, tough-as-nails style, Melicious recounts her best tales from the track: her fierce rivalries with The Wrench and Ivanna S Pankin; the scene at the annual national tournament; the thrill of a bout and the infractions that so often bring her to the penalty box. From the minute she first laced up her skates and wrapped herself in her alter ego, Roller Derby has given her a confidence boost, and she shares the positive impact the sport has also had on girls young and not so young who tack posters of her on their bedroom walls and lace up their own skates. Complete with photos and suggestions on how to develop a Rollergirl name and persona, this unprecedented tell-all comes from the woman who's watched the sport evolve from an underground Friday night event to a bona fide national phenomenon. *Filmfacts*, 1975 [Blue-Collar Pop Culture](#) M. Keith Booker, 2012-03-09 From television, film, and music to sports, comics, and everyday life, this book provides a comprehensive view of working class culture in America. The terms blue collar and working class remain incredibly vague in the United States, especially in pop culture, where they are used to express and connote different things at different times. Interestingly, most Americans are in reality members of the working class, even if they do not necessarily think of themselves that way. Perhaps the popularity of many cultural phenomena focused on the working class can be explained in this way: we are endlessly fascinated by ourselves. *Blue Collar Pop Culture: From NASCAR to Jersey Shore* provides a sophisticated, accessible, and entertaining examination of the intersection between American popular culture and working class life in America. Covering topics as diverse as the attacks of September 11th, union loyalties, religion, trailer parks, professional wrestling, and Elvis Presley, the essays in this two-volume work will appeal to general readers and be valuable to scholars and students studying American popular culture.

Slimetime Steven Puchalski, 2002 Utilising in-depth reviews, cast and plot details, *Slimetime* wallows in those films which the world has deemed it best to forget: everything from cheesy, no-budget exploitation to the embarrassing efforts of Major Studios. Many of these films have never seen a major release; some were big hits, and others have simply vanished. To compliment the wealth of reviews on sci-fi, schlock, flower power, and puppet people, films are detailed essays on specific sleaze genres such as Biker Blaxploitation and Drug movies. Fully updated and revised with new reviews and new illustrations.

The Psychotronic Video Guide To Film Michael Weldon, 1996 The bible of B movies is back and better than ever. From *Abby Cadabby* to *Zontar*, this book covers more than 9,000 amazing movies from the turn of the century right up to today's Golden Age of Video, all described with Michael Weldon's dry wit. More than 450 rare and

wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan

Film Bulletin, 1972

American International Pictures Rob Craig, 2019-02-15 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company

The Alumni Quarterly and Fortnightly Notes, 1917

Cinema Sewer Robin Bougie, 2009 A mind melting compilation of gonzo writing illustration and comics about the most insane sexy awkward cheesy hilarious upsetting and jaw dropping movies in the history of film Cinema Sewer joyously celebrates the sleaziest aspects of the film experience while delving deep into bizarre cinematic history Issues 13 to 17 of the celebrated underground smash Cinema Sewer The Magazine are exhaustively revised and collated in this second wild volume together with 90 additional pages of new interviews rants comics rare classic movie advertising and illustrations
