Unholy Writ:

Unholy Writ David Williams, Distinguished Professor of Law Robert Williams, Edd, 1988-08-18 *Unholy Writ*: T. Joyner Drolsum, 2011-11-07 During our brief and perilous journey *ex irritum ad irritum* how are we to find what the German philosopher Martin Heidegger *Sein und Zeit* would call the true approach to being How do we answer the question posed by the Apostle Thomas when he asked how can we know the way Jn 14 5 In other words how should we fill that parenthesis of infinitesimal brevity which James Joyce Ulysses maintained demarcates each of our lives The Bible has often been put forth as a supposedly infallible guidebook charting the correct path to an authentic existence e g 2 Tim 3 16 17 According to its proponents Scripture is an absolutely dependable life manual because it is the word of God *Summa Theologica* First Part Q 1 Art 10 However close inspection of the Bible calls into question its divine authorship and thus its reliability as an accurate roadmap for the soul In fact under close examination it proves to be nothing more than a mundane and cobbled together collection of archaic superstitions beginning with the outlandish speculations of Moses concerning the creation of the world and ending with the maniacal ravings of John regarding its destruction Exposing the true nature of Holy Writ was the main purpose for writing *Unholy Writ* The *modus operandi* for this expos involved a thoroughgoing critical analysis of Scripture The results from such a careful consideration of its contents clearly demonstrated that any claim that the Bible is some sort of sacrosanct ethical *vade mecum* is completely invalid Specifically the multiple contradictions and absurdities contained in the Bible confer an unreliability upon it that undermines its function as a guide for anything let alone as some sort of moral map for the journey through life Furthermore many of the ideas that are promoted in Holy Writ are actually spiritually harmful In addition unless the condoned misogyny violence intolerance injustice and cruelty can be removed then it is difficult to view the Scriptures as anything like an unwavering celestial beacon that clearly lights the way through the moral fog that at times engulfs our lives Moreover the many errors that it contains including those about the natural world undermine the pivotal claim that the Bible is divinely inspired **Unholy Writ** Tom Brown, 1995 *Zelda Rising* George Hook, 2024-03-19 *Zelda Rising* tells the story of an empathetic young woman named Crystine who runs afoul of a perverse male stranger as she works to create a cozy refuge for booklovers in a Chicago space she calls *Zelda Rising Books* in honor of writer F Scott Fitzgerald's wife The novel *Zelda Rising* revolves around this world of books that mean much more than reading for very lives end up depending on them It offers up a range of colorful characters from Chicago's Rogers Park neighborhood who are drawn into the center of Crystine's bookstore for better or worse and must face their own unfulfilled dreams and mortality after she is gaslighted and dies tragically Mystery pervades *Zelda Rising* until violence becomes the only solution Definitely an engrossing succinct read *Judgment Day* Terry Pratchett, 2016-01-26 The wizards of Unseen University are again called upon to defend their creation Roundworld this time in a courtroom where its very existence hangs in the balance The Omnians fervently believe that the world is round not flat and view the discovery of Roundworld as a

vindication of their faith To leave this artifact in the hands of the wizards would be unacceptable Not only do the academics hold that Discworld is flat but by creating the Roundworld universe they have elevated themselves to the level of gods Ankh Morpork s venerable tyrant Lord Vetinari agrees to a tribunal where the wizards Ridcully Rincewind and Ponder Stibbons can present their case with key assistance from a Roundworld librarian named Marjorie Daw JUDGMENT DAY weaves together explorations of such Earthly topics as big science creation subatomic particles the existence of dark matter and the psychology of belief a treat for Discworld fans and readers of popular science alike *Fashion, ed. by Beau Brummel, jnr* Beau Brummel (junr, pseud),1898

The Word Factory Oscar Whinge,2016-05-18 Unquestionably The Word Factory is the perfect guide to better English Grammar and effortless writing According to one newspaper report universities in England had begun to penalise students who employed incorrect grammar in their essays In South Africa the analysis of seventy four thousand short stories found that written work of children was littered with SMS language American slang exclamation marks and references to celebrities All through my formative years I had to contend with five different languagesEnglish Afrikaans and two other dialects which for the most part accounted for my inability to translate thought into words effortlessly and inhibited my willingness to participate in lively social discussions especially in the course of my high school years However possessed of determination I had vowed to overcome that infirmity My need to succeed at all costs precipitated the memorisation of the entire Pocket Oxford Dictionary an accomplishment that spanned ten long years following which a further ten years were spent in acquainting myself with most English phrases idiomatic expressions and collecting the data and fully researching it I decided to name the compilation The Word Factory The fruits of my efforts but more specifically the extensive employment of The Word Factory not only marked my rise onto the podiums as master of ceremonies and public speaker but had also enabled me to write approximately twenty five articles to the Cape Argus Cape
