Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles **The British National Bibliography** Arthur James Wells, 2003 *Colonial Tactics and Everyday Life* Yuxin Ma, 2023-01-17 Following the Japanese invasion of northeast China in 1931 the occupying authorities established the Manchuria Film Association to promote film production efficiency and serve Japan s propaganda needs Manchuria Film Association had two tasks to make national policy films as part of a cultural mission of educating Chinese in Manchukuo the puppet state created in 1932 on the special relationship between Japan and the region and to block the exhibition of Chinese films from Shanghai that contained anti Japanese messages The corporation relied on Japanese capital technology and film expertise but it also employed many Chinese filmmakers After the withdrawal of Japanese forces in 1945 many of these individuals were portrayed as either exploited victims or traitorous collaborators Yuxin Ma seeks to move the conversation beyond such simplistic and inaccurate depictions By focusing on the daily challenges and experiences of the Chinese workers at the corporation Ma examines how life was actually lived by people navigating between practical and ideological concerns She illustrates how the inhabitants of Manchukuo navigated social opportunities economic depression educational reforms fascist rule commercial interests practical daily needs and more and

reveals ways in which these conflicting preoccupations sometimes manifested as tension and ambiguity on screen In the battle between repression and expression these Chinese actors directors writers and technicians adopted defensive and opportunistic tactics They did so in colonial spaces often rejecting modernist representations of Manchukuo in favor of venerating traditional Chinese culture and values The expertise skills and professional networks they developed extended well beyond the occupation into the postwar period and many individuals reestablished themselves as cinema professionals in the socialist era
