The Uniqueness of Jesus Christ Yusufu Turaki,2009 **The Uniqueness of Jesus** Bill Bright,1989-12-12 **The Uniqueness of Jesus Christ** Jimmy H. DeMoss,2023-05-19

Some two thousand years ago a man appeared in Palestine a man who was different from any other person in the world He made some stupendous claims He claimed to be the Son of God to be able to forgive sins to be eternal Moreover He claimed that He had come from God and that the words that He spoke were God s words And He backed up these claims by casting out demons giving sight to the blind and raising the dead He was indeed special in every gracious way Throughout human history there has been no one like Him He alone had two natures He was both God and man in one person He alone was perfect in every way in thought word and deed He alone had miraculous powers that could heal the sick make the invalid whole and calm the troubled sea He alone came to this world like no other person He came specifically to die for sinners and to make salvation accessible to the world Who is this man He is Jesus of Nazareth He is the Son of God He is the Savior of sinners He is the person you will read about in this book **The Uniqueness of Jesus Christ** **The Uniqueness of Jesus** Campus Crusade for Christ,1983 The Uniqueness of Jesus Chris Wright,2001

What do we think about Jesus In what sense is he unique in comparison with other religions Is Jesus really the Son of God Is faith in Jesus really the only way that people can be saved from eternal damnation In today s religious supermarket is this not arrogant intolerant and deeply offensive Surely all religions offer salvation so why should we not be free to choose What is so unique about Jesus anyway This has become an issue of critical importance says Chris Wright It will affect our view of tradition and doctrine and is bound to affect the shape of Christian identity and belief in coming generations The uniqueness of Jesus is not something Christianity invented he insists It is a truth which has been entrusted to us as stewards and witness The Name Above All Names (the Uniqueness of Jesus Christ) Alvin Low,2007-03-09

How is Christ unique among other gods This book sets forth the uniqueness of Jesus Christ in a pluralistic world *The Uniqueness of Jesus* Leonard J. Swidler,Paul Mojzes,2008-01-01

Since publication of his landmark book *No Other Name* Paul Knitter s work has crystallized discussions and defined some of the most basic questions in Christian theology This is so particularly in the debate over the uniqueness of Jesus as God s son and as all of humankind s sole redeemer In *The Uniqueness of Jesus* Knitter responds to the request of editors Leonard Swidler and Paul Mojzes to state the most adequate case for a viable Christian theology of religions and for the demands of living ecumenically in a religiously plural world The result is Knitter s five basic theses on the uniqueness of Jesus that comprise the opening statement of this dialogue In response a score of influential women and men comment on these five theses including Harvey Cox Monika Hellweg Hans Kung Wesley Ariarajah Clark H Pinnock Jose Miguez Bonino John McQuarrie Raimon Panikkar John Sanders John Mbiti Ingrid Shafer Michael Alamados Kajsja Ahlstrand Michael von Bruck John B Cobb Jr Kenneth Cragg Antony Fernando John Hick Karl Josef Kuschel and Seiichi Yagi Knitter then responds to his critics some of whom he concedes make substantial points that reveal the

The Birth and Infancy of Jesus Christ According to the Gospel Narratives Louis Matthews Sweet, 1906 The Uniqueness of Jesus Christ the Saviour Dr The Revd Gabriel J Anan, PhD, 2024-04-23 This book is borne out of many interesting comments received from my previous book WHO S THE TRUE CREATOR OF THE WORLD Some people wanted to know more about how unique and extraordinary person Jesus Christ is since His teachings and His Messiahship was rejected by His own Jewish leadership He challenged them that if they claimed He is Yahweh or the Son of Yahweh why then would they not accept that He is the truth and speaks the truth It shows that He Jesus is not their lying devil Yahweh god who is a demon from the start John 8 4 6 In this book I have given details of the questions posed by people to justify that Jesus Christ is the True name and the Supreme Creator of the world which has eluded the world for so many centuries For instance many gods or deities like Yahweh Brahma and Mazda claimed to have created the world which is of course very deceptive and a lie However in order for Jesus to prove His true identity Jesus Himself made many I Ams statements such as I am the Son of Man I am the Alpha and Omega I AM the Light of the world and many others Jesus is not like Yahweh who says he is I am without what he is I am for Although Jesus Christ was born a virgin of the Holy Spirit through a woman He came as a man and went through circumcision to prove that He has a male figure Many scholars including the Archbishop of Canterbury the Most Reverend Justin Welby convincingly affirmed that god God is neither male nor female because it is a spirit and not a divine But Jesus Christ is born of the Holy Spirit through a woman and came as a man He therefore went through the ritual of circumcision to prove that He is a Male So He is a male and also Divine And He further said this I am the Son of Man and came to this earth as the Light of the world so that whosoever will believe in me will never remain in the darkness This affirms that LIGHT and darkness can never co exist He also revealed to us that His Father and the Holy Spirit are Male and live in heaven above Therefore to worship Him alone you are certain of worshipping a male figure and the Holy Spirit and not any lying spirits Some people also requested if I could elaborate more on the statement I made on 23rd January 2024 about Catholicism replacing their sun god Sol Invictus Mitra with Jesus Christ during my TV interview with Logan Crawford regarding my new book WHO S THE TRUE CREATOR OF THE WORLD The Uniqueness of Jesus Christ in History Teyyeb Saleem, 2015-01-02 In our modern times nothing could possibly be more fascinating than the fact that far away from the centers of learning and civilization in an unlearned and uncivilized province called Galilee in first century Palestine was born a man of humble and low means whose life and teaching turned the world upside down In a short span of roughly three years with confidence and authority He taught the fishermen and laborers in Galilee the message of Repentance God s love and His Kingdom Nevertheless His teaching captured the hearts and minds of thousands of people and proved to be so effective that in few generations its reverberations could be felt across many corners of the Roman Empire Remarkably within four centuries He won the allegiance and devotion of King and peasant rich and poor learned and

illiterate alike For more than two thousand years He has made reunion with God possible for tens of millions of people around the world and in the process has produced holy and heavenly individuals who are Salt of the earth Emperors of Rome left no stone unturned with ruthless power unjust policies and horrible oppression to obliterate His teaching and movement Ironically they were dead and gone but His teaching and movement continued to gain following and enlighten the hearts and minds of millions of people Many leaders and Kings relentlessly conspired against His message but it would not bow before them and always emerged miraculously victorious Thinking Clearly about the Uniqueness of Jesus Chris Wright,1997

The Assurance of Our Salvation Jin Wook Kim,2019-01-04 THE ASSURANCE OF OUR SALVATION Witnessing the Gospel to Modern Doubters is a missional approach to the doctrine of salvation Just like what originated the systematic theology of Karl Barth was a practical question he faced as a pastor of a local church the development of this volume was motivated by evangelistic questions the author faced while teaching and preaching about the assurance of salvation The book is a tool to make the doctrine of salvation accessible to modern audience Because there is a gap between traditional seminary education which was fit to the context of Christendom and modern missional context many pastors feel unequipped or less prepared as our culture is moving from modernity to postmodernity The question is how we communicate the gospel message to people from a postmodern culture where the absolute truth is denied The book is an attempt to answer to the question How do we communicate the gospel with confidence in our culture hostile to Christianity *American Journal of Theology* ,1911 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged *The American Journal of Theology* University of Chicago.
