**Identity and Leadership in Virtual Communities: Establishing Credibility and Influence** Hickey, Dona J., 2014-02-28 The presence and ubiquity of the internet continues to transform the way in which we identify ourselves and others both online and offline The development of virtual communities permits users to create an online identity to interact with and influence one another in ways that vary greatly from face to face interaction Identity and Leadership in Virtual Communities Establishing Credibility and Influence explores the notion of establishing an identity online managing it like a brand and using it with particular members of a community Bringing together a range of voices exemplifying how participants in online communities influence one another this book serves as an essential reference for academicians researchers students and professionals including bloggers software designers and entrepreneurs seeking to build and manage their engagement online [The Virtual Castle](#) Rosemary Patyus, 2010-08-12 Trapped in his own computer game Charlie Daniels had only a few hours left to live Only his daughter and nephew could rescue him but they didnt know where he was Tim hated computers The last place he wanted to spend his holidays was with his young cousin Sarah at his computer crazy uncles house Little did he know that within twenty four hours they would face deadly dangers solve intriguing puzzles and riddles make fools of themselves at a circus and have unbelievable adventures in strange and exotic locations Romper was just a dog and the key to the whole adventure [The New Author](#) R.A. Barnes, 2015-01-29 A beginner s guide to writing a novel publishing as an independent ebook author and promoting your brand using social networks With foreword by Jim Williams author of ten internationally published novels including the Booker Prize nominated Scherzo The New Author is an excellent piece of writing combining deceptive simplicity lucidity and charm a trick which in practice is very difficult to pull off The book is also informed by considerable intelligence and analysis founded on firsthand experience Barnes explicitly warns against the trap that engagement at the required level can become obsessive and time consuming and in a couple of nice vignettes he makes his point with wit and style The New Author is a terrific companion for independent e publishing and I recommend it There are at least three reasons why you might want to buy this book 1 you want to be an author 2 you have already written a novel and want to publish it as an ebook 3 you want to promote yourself as an author This book is a beginner s guide on how to do the above It isn t a magic elixir for foolproof million copy marketing of your ebook It is based upon the experiences of this author and a broad based peer group I have to warn you right now this is not going to be an easy journey Less of a country stroll more of a trek up Kilimanjaro The good news is that almost anyone can trek up Kilimanjaro with the right support appropriate equipment and a positive attitude See you at the top The New Author is a non fiction work of 44 000 words What this book does and does not contain The scope of this edition is deliberately limited to basic novel writing guidelines first practical steps in building and operating a social media platform for authors and the process of epublising a novel on Amazon KDP and other market channels via Smashwords A list of recommended further
