A Vision Splendid Anne-Marie Wright Lampropoulos,2022-06-14 During his forty five years as a Latter day Saint apostle and nineteen years as the prophet David O McKay gave thousands of speeches including hundreds of temple and chapel dedications civic addresses funeral sermons and General Conference and other Church related talks Many of these speeches contain some of the same prose and poetry but no two speeches are the same All of these discourses were written by McKay himself and virtually all of them were typed organized and kept in large legal sized leather binders by Clare Middlemiss his long time personal secretary His choice of prose reveals his favorite authors and literature a glimpse into his personal library It also conveys his ideals and his fervent belief in their truth Never before and not since has The Church of Jesus Christ of Latter day Saints had a prophet so well versed in secular as well as scriptural prose McKay s intellectual and spiritual worlds meshed as he recited with ease the poetry of Edgar A Guest John Oxenham and Joaquin Miller as well as the patriotic pronouncements of George Washington Patrick Henry and Benjamin Franklin In one speech he seemed to have studied Scottish lore and in another he effortlessly extolled current US statistics on crime or divorce He was at times romantic and wistful and at other times firm and warning In *A Vision Splendid* The Discourses of David O McKay Anne Marie Wright Lampropoulos culls from the vast records of McKay s discourses that Middlemiss kept and groups certain categories of speeches together dedications civic addresses Church discourses and funeral sermons Each chapter broadly analyzes a category and then includes samples of illustrative full speeches This analysis and compilation illustrates how McKay looked to poignant prose for a sense of his own personal identity and inspiration as well as the larger identity and inspiration of Church members

The Vision Splendid John Oxenham,2018-01-24 Excerpt from The Vision Splendid Some Verse for the Times and the Times to Come Is the outcome of this latest world tragedy to be loss or gain Under God it rests with ourselves The greatest world tragedy of all ended on the Cross in what to the men of those days seemed absolute loss but that apparent loss has become life s greatest gain So far the world s loss in material things in this war does not bear brooding upon But even therein the apparent loss is not all loss Our men we know are not lost except for a brief space to us who are left To themselves the gain of their translation is good to think upon The minor loss in treasure of all kinds may prove gain if it bring us perforce to simpler living And the soul of the world has been shocked at last into true understanding of the inevitable and dire results of purely materialistic aims It has seen the soul of a great nation deliberately self poisoned at the fount by the worship of a false ideal The one great loss to the world so far is the loss of the German soul Time and the will thereto may repair even that About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
