## **Walking In His Steps:**

**Walking In His Steps** Joe Pettigrew,2024-12-16 Walking In His Steps is relevant and Biblically sound for men and women seeking a closer walk with Jesus Christ Written as both a small group study and a study for individuals both have found it to be informative and valuable in their daily walks The focus is to help you be better resourced to fight the cultural battles for your heart and soul and help you influence your family and friends for Jesus Christ You will be exposed to practical truths and Biblical principles through the transparency of the 40 day curriculum In addition you will relate to how today s material culture is trying to intimidate us into becoming politically correct instead of Biblically obedient God considers forty days a spiritually significant period of time We are creatures of habit and we often find ourselves in a rut where we do the same things over and over There are certain areas of our lives where we are willing to get out of our comfort zone and yet other places we would just as well be left alone Throughout the Bible God uses forty days as a significant time period to accomplish His purposes You will find briefly examined a number of instances in the Bible in which forty days are used While forty days may not appear magical to you it seems to be a time frame that God has used several times to change the world

**In His Steps** Charles Sheldon,2013-05-17 In His Steps is the dramatic story of a pastor and a small group of Christians who determined in their hearts to react in every situation as they thought Jesus would Set against the hypocrisy and social upheavals of the 1890s it provides delightful color and style and depicts the same sordid plight of churches and Christians today Founded upon God s Word its focus is the verse in 1 Peter For even hereunto were ye called because Christ also suffered for us leaving us an example that ye should follow his steps Because of a sudden and upsetting incident which disrupted the Sunday morning worship service of a small congregation the world has been set aglow for Christ Souls have been challenged to find the perfect will of God for their lives to follow the steps of the Saviour wherever they should lead and despite persecution or crucifixion that might follow just to know the joy of walking In His Steps [WALKING IN HIS STEPS.](#)

**Walking in the Footsteps of Christ** Joan Risch-Mayle, 2022-06-24 Paul said We loved you so much that we were delighted to share with you not only the gospel of God but our lives as well 2 Thessalonians 2:8a NIV As Paul shares I have the desire to share my life through the teachings that come with analogies and parables Walking in the Footsteps of Christ is an accumulation of a gift of knowledge laced with a gift of wisdom Writings placed within these pages reflect an inner dialogue between the Holy Spirit and my heart and mind relating spiritual truths which we might not understand with physical truths to which we may relate in our daily living One such analogy that communicates a relationship between an author and a reader is as follows A kiwi fruit matures faster when placed in a brown paper bag with an apple Why The apple gives off ethylene gas accelerating the maturity of the kiwi while the apple remains an apple God through the venue of Holy Spirit showed me that my writings originally were the catalyst for accelerating my spiritual growth maturity Applying spiritual truths with physical truths The contents of this book the bi product of my walk discharge a spiritual ethylene gas by placing two spiritual fruit bearing beings in a one on one setting Such as with the relationship between the apple and the kiwi you the reader will not become like me but may have a better understanding of what God could produce out of your own life To this you were called because Christ suffered for you leaving you an example that you should follow in His steps 1 Peter 2:21 NIV This Book Becomes my Prayer Walking in the Footsteps of Christ Page 349 I pray dear Lord that Your readers too might take the time And glean some of these teachings And share with others as I have shared with them Dear Lord I place this book in Your Hands As my footsteps become footprints For generations to come Through Jesus Christ Our Lord Amen

**Walking in His Steps** JAMES MURPHEY. THOMAS, 2025-04-20 In today s Christian landscape there often exists a gap between worshipping Jesus and truly following Him as His disciple While worship is essential and foundational to faith Jesus invitation to His followers goes beyond reverence He calls us to active discipleship This book is an exploration of that call In these pages we will rediscover the essence of following Jesus by examining the rabbi disciple relationship in early New Testament times Through understanding the historical and cultural context of discipleship we can uncover insights into how Jesus first disciples lived and how we as modern believers are called to emulate their devotion The concept of discipleship

may feel abstract or secondary to other aspects of faith Yet Jesus consistently emphasized the importance of following Him not just in word but in deed Our hope is that this book will encourage the reader to reflect on their own walk with Christ and inspire them to live as His disciple in a world that desperately needs the light of His love and truth *What Would Jesus Do?* Cindy Mallin,2021-01-24 What happens when a disheveled homeless man stumbles into a church filled with the richest people in town When the sermon ends this dirty sick man walks to the front of the church and utters a challenge to the people Ask What Would Jesus Do before every decision great or small And then do it The challenge is welcomed by some and detested by others The setting is in the late 1800s and takes you through angst confusion and drama You get to know people from the luxurious mansions and others who live in slums or are even homeless What happens when these characters collide This is a brand new completely rewritten book of the classic *In His Steps* by Charles Sheldon *In His Footsteps: A Devotional Journal* Shauna Leis,2011-05-02 *In His Footsteps* is a devotional journal that will aid anyone in drawing closer to God no matter what life journey you have been through so far Whether you are newly devoted to God an experienced Christian for decades or wondering who in the world this God really is then this book is for you Even if you have walked close to God every day of your life or strayed away from Him at every turn God longs to draw you close and develop a very personal relationship with you He desires to reconnect with each one of us and getting into His Word is one of the best places to start **Walking in His Steps** ,2021 **In His Footsteps** William Etridge McLennan,1911 *Fillmores' gospel songs* Palmer Hartsough,James Henry Fillmore,1902 *Manual of Artificial Limbs* George Edwin Marks,1914 *Christian Advocate* ,1909 **The United Presbyterian** ,1904 [The Sunday School Journal](#) ,1898
