Wanted For Love:

The Prince Who Wanted Love Barbara Cartland,2016-10-10 Prince Serge of Tamrush who himself had been sent a bride by Queen Victoria to save his Principality from invasion by the Russians was now being asked by Prince Igor of Dubrik for the hand of his beautiful daughter Lavinia for the same reason He decided not to tell Lavinia of Prince Igor s request until after her birthday party It was on that occasion she would meet Prince Igor for the first time and her father hoped that they would be attracted to each other Lavinia was in fact charmed by Prince Igor but it was still a great shock to her when she was told of the plans for her engagement to be announced and her subsequent marriage all to save Dubrik from the rampaging Russians She made her father promise that if she did not love Prince Igor and he did not love her then she would be able to come home again She was now beginning to hear unsavoury stories about Prince Igor s wild parties and pretty women staying with him at his Palace and wondered if she could ever be happy with such a husband It was when she arrived in Dubrik that an attempt was made on her life by a Russian How she is saved but Prince Igor is seriously wounded How she finds dark secrets about Prince Igor s childhood And how they find the sublime love that they are both seeking is all told in this exciting and romantic novel by BARBARA CARTLAND

She Wanted Love Barbara Cartland,2013-08-01 The beautiful Lady Eleta Renton returns from France where she has stayed long over her time at the Convent School in Paris Because her mother had married again after becoming widowed and then she died too Eleta was in no hurry to come home When she arrives back in London rather sad at leaving the Convent School she is horrified when her stepfather whom she had never liked tells her that she is to marry the Duke of Hazelware because he is important to him in his business of shipbuilding and the Duke requires a wife with money As she had never even seen the Duke Eleta protested violently especially when she learns her intended husband is over fifty but her stepfather informs her that he is her Guardian by law until she is twenty one and that will not be until the end of the year As she is terrified at being forced into this marriage she decides that the only course open to her is to run away She learns from her mother s maid Betty of whom she is very fond that there is an Agency nearby where she might be able to find a position as a secretary or a Governess At the Agency the only place available is with the Marquis of Teringford who has a very tiresome badly behaved child of nine years of age with whom no Governess will stay and has apparently run through a large number of them One of them actually said when she left that she was a child of the Devil Because she is desperate and despite Betty s misgivings at the Marquis s apparently doubtful reputation Eleta takes the position and goes to his magnificent house in Hertfordshire Here she finds that the small child has never been loved which is the reason why she is so difficult Also the Marquis is seldom there and when he is he scolds and lectures his daughter to distraction How Eleta eventually tames and finds love for her pupil and for herself is all told in this romantic and moving tale by BARBARA CARTLAND
