Western Trail

Gary Kraisinger, Margaret Kraisinger

Western Trail:

The Western Cattle Trail, 1874-1897 Gary Kraisinger, Margaret Kraisinger, 2014 Since 1967 the authors have had one mission to tell readers exactly where the Western Cattle Trail was located and to give a history of its place in the American West Their first book *The Western the greatest cattle trail 1874 1886* presented the location and history of the trunk line during that time period In this second volume the entire trunk line is presented from Texas to Canada showing its route before and after the Kansas quarantine of 1885 plus a discussion of the system s feeder detour and splinter routes The project encompasses the history that surrounds the trail Included in this tale are the trail s cattle towns river crossings cowboy and homesteader comments the Texas cattle fever quarantine lines herd laws and Indian encounters What emerges is an overall picture of the cattle driving industry from its conception in the 1840s on the first trail system going north the Shawnee to its demise in 1897 on the Western Trail System *The Western Trail* Gaylon Barrow, 2009-07-01 The Great Western Cattle Trail also known as the Dodge City Trail and the Old Texas Trail was utilized from 1874 for the movement of cattle to markets East The trail began at Bandera Texas and ended most often in Dodge City Kansas The entire trail extended from southern Texas to the Canadian border Between 10 and 12 million cattle were driven north from Texas into Dodge City It was the western branch of the Chisholm Trail *Finding the Great Western Trail* Sylvia Gann Mahoney, 2015 Follows the recovery and marking of the Great Western Trail from northern Mexico through the US just passed the Canadian border Provided by publisher **The Western Trail** Ralph Compton, 2009-09-01 In the aftermath of the Civil War cash starved Texans turned to the only resource they possessed in abundance longhorn cows Despite the hazards of trailing longhorns across some three hundred miles of Indian Territory this was the only way to access the railroad THE WESTERN TRAIL Benton McCaleb and his band of bold spirited cowboys traveled long and hard to drive thousands of ornery cattle into Wyoming s Sweetwater Valley They re in the midst of setting up a ranch just north of Cheyenne when a ruthless railroad baron and his hired killers try to force them off the land Now with the help of the Shoshoni Indian tribe and a man named Buffalo Bill Cody McCaleb and his men must vow to stand and fight Outgunned and outmanned they will wage the most ferocious battle of their lives to win the right to call the land their own *A Guide to Mountain Bike Trails in Illinois* Walter G. Zyznieuski, George S. Zyznieuski, 1997 Outdoor writer Tim Renken of the St Louis Post Dispatch correctly predicted that *Illinois Hiking and Backpacking Trails* by Walter G Zyznieuski and George S Zyznieuski would become the definitive trail guide for Illinois hikers Now the brothers Zyznieuski have teamed up again and following the same procedures that produced their classic hiking guide have produced the definitive guide for the rapidly growing sport of mountain biking The Zyznieuskis tell you all you need to know about mountain biking in Illinois They note that mountain bike trails exist throughout the state particularly in the Chicago metropolitan area The forty eight trails they explored for this book run from three to seventy eight miles long the Hennepin Canal State Trail and range in difficulty from extremely easy to challenging

Along with a map and a complete description of each trail this illustrated book is packed with practical information The brothers discuss the various surfaces dirt mowed grass limestone screenings and old railroad beds And they advise riders as to what they need to take on the trip stressing safety necessities such as a helmet The appendixes discuss the Grand Illinois Trail provide information on where to order maps and list mountain bike clubs trail organizations International Mountain Bicycle Association rules of the trail and Illinois bike rules As they did with Illinois Hiking and Backpacking Trails Walter and George have explored every trail they mention in this illustrated guide

The Old Chisholm Trail Wayne Ludwig, 2018-09-05 The Old Chisholm Trail charts the evolution of the major Texas cattle trails explores the rise of the Chisholm Trail in legend and lore and analyzes the role of cattle trail tourism long after the end of the trail driving era itself The result of years of original and innovative research often using documents and sources unavailable to previous generations of historians Wayne Ludwig s groundbreaking study offers a new and nuanced look at an important but short lived era in the history of the American West Controversy over the name and route of the Chisholm Trail has persisted since before the dust had even settled on the old cattle trails But the popularity of late nineteenth century Wild West shows dime novels and twentieth century radio movie and television western drama propelled the already bygone era of the cattle trail into myth and a lucrative one at that Ludwig correlates the rise of automobile tourism with an explosion of interest in the Chisholm Trail Community leaders were keenly aware of the potential economic impact if tourists were induced to visit their town rather than another and the Chisholm Trail was often just the hook needed Numerous historical markers were erected on little more than hearsay or boosterish memory and as a result the true history of the Chisholm Trail has been overshadowed The Old Chisholm Trail is the first comprehensive examination of the Chisholm Trail since Wayne Gard s 1954 classic study The Chisholm Trail and makes an important and modern contribution to the history of the American West Winner 2018 Elmer Kelton Book of the Year sponsored by the Academy of Western Artists

Miscellaneous National Trails Bills and Chickamauga and Chattanooga National Military Park Highway Funds United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Parks, Historic Preservation, and Recreation, 1996

Driving the Great Western Trail in Arizona Raymond Andrews, Jennifer L. Andrews, 2015-11-14 Note This book is also available in full color Would you like to camp on an Indian Reservation or in an unspoiled forest or star lit desert accompanied by the sounds of native wildlife Would you like to show your children where the deer and the antelope really play and to drive on the Mormon Honeymoon Trail or the Moqui Stagecoach Trail as the pioneers did in covered wagons If so then stock your Jeep pack a tent and this book and say goodbye to the hustle and bustle of civilization for a week This is a full color updated edition of Driving the Great Western Trail in Arizona You can also vicariously enjoy the Great Western Trail from the passenger s seat in the four wheeling DVD adventure The Great Western Trail in Arizona Traveling more than 350 miles through deserts streams and over mountains you ll visit the twelve sections of the trail that will awe both newbies to

the sport as well as hard core off road aficionados *Illinois Hiking and Backpacking Trails* Walter Zyznieuski, George Zyznieuski, Walter G. Zyznieuski, 1993 In this completely revised expanded and updated edition Walter G Zyznieuski and George S Zyznieuski describe sixty nine trails that total more than eight hundred miles Thirteen new trails have been added in this edition All but four of the original maps have been revised and updated and many new photographs are included Since the first edition was published there have been many changes along the trails or at the parks or forests where the trails were located In order to update their book the Zyznieuskis contacted the headquarters of each park and forest to obtain detailed and up to date information In the appendixes the Zyznieuskis provide information on obtaining trail maps hiking organizations and rules and regulations for Illinois state parks and recreation areas As in the first edition the authors have hiked each trail they describe It is their firsthand experience that makes it possible for them to provide reliable detailed and up to date information on each of these trails for Illinois hikers and backpackers **Up the Western Trail** Nicki

Truesdell, 2021-08-15 Few periods of American history can compete with the drama and excitement of the Old West And few characters have more glorification and admiration than the American cowboy *Up the Western Trail* The Log of a Cowboy is a true to life diary of a cattle drive in the heyday of the cowboy Andy Adams gives mile by mile detail of a drive from the Rio Grande in Texas to the Blackfeet Indian Reservation in Montana one of the longest cattle drives to be undertaken Adams wrote this from his decade of experience as a Texas cowboy and drover In this tale readers get a firsthand look at life on the trail with all the hard work and some fun times too These cowboys took their herd up the Western Trail crossing all manner of rivers and streams meeting Comanches in Indian Territory entertaining themselves in Dodge City and Ogallala chasing multiple stampedes and experiencing many other exciting adventures along the way This is the best kind of history book firsthand accounts of a period in time written by the people who were there Originally published in 1903 it is widely considered by literary critics to be one of the most accurate publications available about the Texas cattle drives This is what Knowledge Keepers specializes in original history accounts from all periods of American history Check out our other titles

Encyclopedia of the Great Plains David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging pun intended encyclopedia of this important region Their objective was to give definition to a region that has traditionally been poorly defined and they have *Biking Illinois* David Johnsen, 2006 From Chicago s magnificent lakefront to the mountain trails of the Shawnee National Forest no state has more varied terrain for the cyclist than Illinois Large full detail maps guide you confidently on city streets or prairie back roads and concise entertaining trail descriptions make your bicycle adventure come alive Includes 60 rides for cyclists of all ability levels tips on where to find water snacks lodging repairs fascinating notes that help you appreciate the nature and history along the trail and much more

The Western Pennsylvania Historical Magazine , 1922 **Cowboys on the Western Trail** Eric Oatman, 2004 Recounts events of an 1877 cattle drive from southern Texas to Ogallala Nebraska through the letters and journals of two

boys and an older member of the crew Finding the Great Western Trail Sylvia Mahoney, **Biking Iowa** Bob
