You Can Swim, But Can You Teach It? Maud Robertson Ramsay Nomiya, 2014-03 This dynamic teaching book shows the difference between swimming coaches and swimming teachers You Can Swim but Can You Teach It helps swimmers to teach complete beginners how to swim It starts from how to enter the pool and takes the student through each step necessary until he can float Then the different methods of swimming are studied The book was written after the author was consulted by a mother whose child had failed to learn how to swim despite having many swimming lessons and the mother was about to give up I taught the seven year old lad and within two years had taught him to swim every stroke including the butterfly At that time I vowed to write the book but it never materialized until the need to teach young members of staff how to teach swimming arose About the Author Maud Robertson Ramsay Nomiya is a teacher She grew up in Glasgow Scotland travelled the world for three years married a Japanese man and now lives in Osaka Japan I wrote but did not publish a book on afternoon tea a series of books on penmanship a book for teaching bagpipes and a book for young students of English as a foreign language I have written and am now publishing a book for teachers of English as a foreign language I am now writing a book on bullying and a book on the power of the bagpipes I intend to write a book on how to teach skiing Publisher's website <http://sbprabooks.com> MaudRobertsonRamsayNomiya
