Willfully Wed Toni Collins,2011-07-15 FAMILY SECRETS Danielle Vine was stumped she s been left a huge sum of money but she didn t know from who or why She couldn t accept her inheritance until she found out where it came from so she hired gorgeous private eye Mitch Newman Problem was she d rather kiss the pragmatic man than listen to his ridiculous theories FAMILY MAN Danielle s case had Mitch tied up in knots Not only did he know who left her that money he also knew the truth would break her heart He d gotten too close to his beautiful client to hurt her now but how could he keep her secrets to himself *Public Vows* Melissa J. Ganz,2019-06-20 In eighteenth century England the institution of marriage became the subject of heated debates as clerics jurists legislators philosophers and social observers began rethinking its contractual foundation *Public Vows* argues that these debates shaped English fiction in crucial and previously unrecognized ways and that novels in turn played a central role in the debates Like many legal and social thinkers of their day novelists such as Daniel Defoe Samuel Richardson Frances Burney Eliza Fenwick and Amelia Opie imagine marriage as a public institution subject to regulation by church and state rather than a private agreement between two free individuals Through recurring scenes of infidelity fraud and coercion as well as experiments with narrative form these writers show the practical and ethical problems that result when couples attempt to establish and dissolve unions simply by exchanging consent Even as novelists seek to shore up the legal regulation of marriage however they contest the specific forms that these regulations take In recovering novelists engagements with the nuptial controversies of the Enlightenment *Public Vows* challenges longstanding accounts of domestic fiction as contributing to sharp divisions between public and private life and as supporting the traditional patriarchal family At the same time the book counters received views of law and literature highlighting fiction s often simultaneous affirmations and critiques of legal authority Romulus Marc Hyden,2020-09-30 Hyden leans into a tone reminiscent of a bard regaling those around a campfire with stories of a hero s great exploits He tells a fascinating origin story Booklist According to legend Romulus was born to a Vestal Virgin and left for dead as an infant near the Tiber River His life nearly ended as quickly as it began but fate had other plans A humble shepherd rescued the child and helped raise him into manhood As Romulus grew older he fearlessly engaged in a series of perilous adventures that ultimately culminated in Rome s founding and he became its fabled first king Establishing a new city had its price and Romulus was forced to defend the nascent community As he tirelessly safeguarded Rome Romulus proved that he was a competent leader and talented general Yet he also harbored a dark side which reared its head in many ways and tainted his legacy but despite all of his misdeeds redemption and subsequent triumphs were usually within his grasp Indeed he is an example of how greatness is sometimes born of disgrace Regardless of his foreboding flaws Rome allegedly existed because of him and became massively successful As the centuries passed the Romans never forgot their celebrated founder This is the story that many ancient Romans believed *The Almost-Perfect Proposal* Toni Collins,2011-07-15 A LONG LOST PROPOSAL My dear I

love you and being apart from you has made me realize just how much I really need you I hope you'll be able to promise that I'll be coming home to you Say you'll be my wife All my love always Amy Barrington couldn't believe her hopelessly romantic eyes A fifty year old proposal her mother had never received She just had to get these two long lost lovebirds back together again for the sake of true love Now if only she could convince cynical Brian Reynolds that his dear old dad and her lovely mother belonged together And that nothing could be more romantic than a wedding except a double wedding ceremony of course

Bigamy and Christian Identity in Late Medieval Champagne Sara McDougall, 2012-03-14 The institution of marriage is commonly thought to have fallen into crisis in late medieval northern France While prior scholarship has identified the pervasiveness of clandestine marriage as the cause Sara McDougall contends that the pressure came overwhelmingly from the prevalence of remarriage in violation of the Christian ban on divorce a practice we might call bigamy Throughout the fifteenth century in Christian Europe husbands and wives married to absent or distant spouses found new spouses to wed In the church courts of northern France many of the individuals so married were criminally prosecuted In *Bigamy and Christian Identity in Late Medieval Champagne* McDougall traces the history of this conflict in the diocese of Troyes and places it in the larger context of Christian theology and culture Multiple marriage was both inevitable and repugnant in a Christian world that forbade divorce and associated bigamy with the unchristian practices of Islam or Judaism The prevalence of bigamy might seem to suggest a failure of Christianization in late medieval northern France but careful study of the sources shows otherwise Clergy and laity alike valued marriage highly Indeed some members of the laity placed such a high value on the institution that they were willing to risk criminal punishment by entering into illegal remarriage The risk was great the Bishop of Troyes's judicial court prosecuted bigamy with unprecedented severity although this prosecution broke down along gender lines The court treated male bigamy and only male bigamy as a grave crime while female bigamy was almost completely excluded from harsh punishment As this suggests the Church was primarily concerned with imposing a high standard on men as heads of Christian households responsible for their own behavior and also that of their wives

Baby in Blue Cara Colter, 2011-07-15 Assignment Baby Officer Hawk Adams had faced some pretty tough characters in his day But nothing had prepared him for his latest assignment minding a twenty pound rabble rouser with an almost criminal record for spitting up and raising a fuss So Hawk did what any self-respecting bachelor cop with a baby would do he called for backup And Kate Shea came to the rescue Not only did the pretty widow manage to make little Brittany smile she had a certain tough-as-nails cop feeling warm and fuzzy himself Suddenly Hawk's baby assignment seemed dangerously headed for operation marriage

A HANDY MAN TO HAVE AROUND Elizabeth August, 2012-01-17 SOMETHING STRANGE WAS GOING ON IN SMYTHESHIRE Posing as Gillian Hudson's handyman was just a ploy Taggart Devereux had devised to bring them together For he was having visions of Gillian in danger And Taggart knew he was the only one who could protect her When he whisked her away to his secluded cabin little did he know being in close quarters with this beautiful woman

would be so distracting But Taggart had to put all thoughts of romance out of his mind so he could concentrate on saving the woman who was destined to be his bride

Sermons in 1 & 2 Corinthians R. J. Rushdoony, 2023-06-09

Rushdoony's Sermons in First and Second Corinthians are the last of his Biblical commentaries delivered shortly before his passing but it represents a fitting close to his teaching ministry He said Paul's letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth the long list of sins included division strife injustice immorality doctrinal error and the abuse of the sacraments Despite their many transgressions the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ They were still Christ's embassy on earth They could still develop into a greater training center for Christian action This is why Paul's letters to the Corinthians are relevant to the church today and it's also why Rushdoony's sermons on these two epistles are invaluable to us now Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God's advancing Kingdom and the church as the equipping center for the saints Rushdoony's fresh application of Paul's warnings and admonitions will help Christians pastors and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom

THE NEED FOR A GODLY SOCIAL ORDER

The church could not hope in time to rule the world if it could not rule itself It was thus very important for Paul to bring the Corinthians back into obedience to God's law among other things The apostle Paul was an envoy to the ekklesia of Jesus Christ those who are called to establish God's Kingdom on earth Therefore the importance of his patience correction and instruction could not be diminished if he were to be faithful to the One who sent him The church is Christ's embassy to earth to reclaim what belongs to Him Against the backdrop of a history filled with hatred for God and hatred of all that is holy our greater calling is the establishing of a godly social order and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility

Rose Creek Ranch Ann Laurel, **The Sisters-in-law**

Gertrude Franklin Horn Atherton, 1921

1921 Atherton was an American Feminist and writer of social and historical fiction much of it set in California Although her reputation is founded primarily on her California fiction and essays as well her biography of Alexander Hamilton Atherton also produced a number of Gothic stories some of them such as *The Bell in the Fog* were considered significant achievements in the Gothic supernaturalist tradition

The Sisters in Law begins The long street rising and falling and rising again until its farthest crest high in the east seemed to brush the fading stars was deserted even by the private watchmen that guarded the homes of the apprehensive in the Western Addition Alexina darted across and into the shadows of the avenue that led up to her old fashioned home a relic of San Francisco's early days perched high on the steepest of the casual hills in that city of a hundred hills She was breathless and rather frightened for although of an adventurous spirit which had led her to slide down the pillars of the verandah at night when her legs were longer than her years and during the past winter to make a hardly less dignified exit by a side door when her worthy but hopelessly Victorian
