incorporated into novels or turned into chapters of a novel Each of the seventy one stories receives separate and detailed appraisal This exacting approach helps establish the relationship of the stories to the novels and underscores Faulkner s formidable skill as a writer of short fiction Although Faulkner often spoke disparagingly of the short story form and claimed that he wrote stories for money which he did Edmond L Volpe s study reveals that Faulkner could not resist the application of his incomparable creative imagination or his mastery of narrative structure and technique to this genre *Reading Faulkner's Best Short Stories* Hans H.
