## **William Gladstone:**

William Gladstone Roland Quinault,2016-03-03 William Ewart Gladstone 1809-98 was the outstanding statesman of the Victorian age. He was an MP for over sixty years, a long-serving and exceptional Chancellor of the Exchequer and four times Prime Minister. As the leader of the Liberal party over three decades, he personified the values and policies of later Victorian Liberalism. Gladstone, however, was always more than just a politician. He was also a considerable scholar, a dedicated Churchman, and had a range of interests and connections that made him, in many respects, the quintessential Victorian. Yet important aspects of Gladstone's life have received relatively little recent attention from historians. This study reappraises Gladstone by focusing on five themes: his reputation; his representation in visual and material culture; his personal life; his role as an official; and the ethical and political basis of his international policies. This collection of original, often multidisciplinary studies provides new perspectives on Gladstone's public and private life. As such, it illustrates the many-sided nature of his career and the complexities of his personality.

**The Early Public Life of William Ewart Gladstone, Four Times Prime Minister** Alfred Farthing Robbins,1894 *The Story of Gladstone's Life* Justin McCarthy,1898 **Gladstone's Influence in America** Stephen J. Peterson,2018-10-02 By the end of the nineteenth century, William Gladstone was arguably the most popular statesman in America since Lincoln. How did a British prime minister achieve such fame in an era of troubled Anglo-American relations? And what do press reactions to Gladstone's policies and published writings reveal about American society? Tracing Gladstone's growing fame in the United States, beginning with his first term as prime minister in 1868 until his death in 1898, this volume focuses on periodicals of the era to illuminate how Americans responded to modern influences in religion and politics. His forays into religious controversy highlight the extent to which faith influenced the American cult of Gladstone. Coverage of Gladstone's involvement in issues such as church disestablishment, papal infallibility, Christian orthodoxy, atheism, and agnosticism, faith and science, and liberal theology reveal deepening religious and cultural rifts in American society. Gladstone's Influence in America offers the most comprehensive picture to date of the statesman's reputation in the United States.

*Edmonton In Our Own Words* Linda Goyette,Carolina Jakeway Roemmich,2005-04-18 Linda Goyette and Carolina Roemmich have tapped Edmonton's collective memoir through the written record, the spoken stories, and the vast silences. All of the people who ever lived at this bend in the North Saskatchewan took part in creating the city we know as Edmonton. Through traditional Indigenous stories about the earliest travellers along the bend in the river, diaries, archival records, and letters of 19th-century inhabitants, and the recollections of living residents who talk about the emerging city, Edmonton's history is told using the words and stories of the people who have called this city home. Citizens with diverse viewpoints speak for themselves, describing important events in Edmonton's social, political, and economic development. Foreword by Keith Turnbull. The official publication of the City of Edmonton's Centennial, *Edmonton In Our Own Words* includes many never-seen-before photographs from private collections, historic maps, and a timeline of Edmonton's history. Imagine a

conversation between Edmonton's past inhabitants and its living citizens. What would we tell the rest of the world about our place on the map? What stories would we tell with tears in our eyes or laughter or pride? In *Edmonton In Our Own Words*, experience the personal stories of eyewitnesses and descendants explaining, arguing, crying, scolding, laughing, and interrupting one another in a city's evolving conversation with itself as Edmonton celebrates its past and future. The authors tap Edmonton's collective memoir through written records and spoken stories. All those who ever lived at this bend in the North Saskatchewan took part in creating the city we know as Edmonton. Citizens with diverse viewpoints speak for themselves describing important events in the city's social, political, and economic development.

*The Heir Apparent* Jane Ridley, 2013-12-03 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE BOSTON GLOBE. This richly entertaining biography chronicles the eventful life of Queen Victoria's firstborn son, the quintessential black sheep of Buckingham Palace who matured into as wise and effective a monarch as Britain has ever seen. Granted unprecedented access to the royal archives, noted scholar Jane Ridley draws on numerous primary sources to paint a vivid portrait of the man and the age to which he gave his name. Born Prince Albert Edward and known to familiars as Bertie, the future King Edward VII had a well-earned reputation for debauchery. A notorious gambler, glutton, and womanizer, he preferred the company of wastrels and courtesans to the dreary life of the Victorian court. His own mother considered him a lazy halfwit, temperamentally unfit to succeed her. When he ascended to the throne in 1901 at age fifty-nine, expectations were low. Yet by the time he died nine years later, he had proven himself a deft diplomat, hardworking head of state, and the architect of Britain's modern constitutional monarchy. Jane Ridley's colorful biography rescues the man once derided as Edward the Caresser from the clutches of his historical detractors. Excerpts from letters and diaries shed new light on Bertie's long power struggle with Queen Victoria, illuminating one of the most emotionally fraught mother-son relationships in history. Considerable attention is paid to King Edward's campaign of personal diplomacy abroad and his valiant efforts to reform the political system at home. Separating truth from legend, Ridley also explores Bertie's relationships with the women in his life. Their ranks comprised his wife, the stunning Danish princess Alexandra, along with some of the great beauties of the era: the actress Lillie Langtry, longtime royal mistress Alice Keppel, the great grandmother of Camilla Parker Bowles, and Lady Randolph Churchill, mother of Winston Churchill. Edward VII waited nearly six decades for his chance to rule, then did so with considerable panache and aplomb. A magnificent life of an unexpectedly impressive king. *The Heir Apparent* documents the remarkable transformation of a man and a monarchy at the dawn of a new century. Praise for *The Heir Apparent*. If *The Heir Apparent* isn't the definitive life story of this fascinating figure of British history, then nothing ever will be. *The Christian Science Monitor*. *The Heir Apparent* is smart, it's fascinating, it's sometimes funny, it's well-documented, and it reads like a novel. Bertie is so vivid he nearly leaps from the page. *Cigars and all*. *Minneapolis Star Tribune*. I closed *The Heir Apparent* with admiration and a kind of wry exhilaration. *The Wall Street Journal*. Ridley is a serious scholar and historian who keeps

Bertie's flaws and virtues in a fine balance The Boston Globe Brilliantly entertaining a landmark royal biography The Sunday Telegraph Superb The New York Times Book Review

**Death in the Victorian Family** Patricia Jalland, 1996 This enthralling book explores the experience of dying death grieving and mourning in the years between 1830 1920 Victorian letters and diaries reveal a deep preoccupation with death because of a shorter life expectancy a high death rate for infants and children and a dominant Christian culture Drawing upon the private correspondence diaries and death memorial of fifty five middle and upper class families Pat Jalland shows us how dying death and grieving were experienced by Victorian families and how the manner and rituals of death and mourning varied with age gender disease religious belief family size and class She examines deathbed scenes good and bad deaths funerals and cremations mourning rituals widowhood and the roles of religion and medicine

Joseph Severn Grant F. Scott, 2017-03-02 This is the first modern scholarly edition of the letters and memoirs of Joseph Severn English painter and deathbed companion of John Keats It includes letters from a remarkable collection of never before published correspondence held by descendants of the Severn family Scott's unprecedented access to hundreds of new letters has resulted in a major revisionist work that challenges traditional ideas about Severn's life and character The edition includes new information about Severn's early artistic success in Italy an extraordinarily thorough record of his day to day activities as a working artist in England and surprising details about his experience as British Consul in Rome The volume represents a significant work of recovery printing in full three important memoirs that have until now appeared only in inaccurate excerpts and offering thirty three illustrations that demonstrate the range of Severn's talents as a painter Scott makes a compelling case for a reevaluation of Severn whose friends also included Charles Eastlake William Gladstone Leigh Hunt John Ruskin and Mary Shelley This collection will prove valuable not only to literary biographers and Keats scholars but also to art and cultural historians of the Romantic and Victorian eras Adding significantly to the volume's usefulness are a detailed chronology of Severn's life and artwork and appendices containing an index of the newly discovered letters and a ledger of Severn's patrons paintings and commissions

**Current Opinion** ,1898 **50 Roadside Panoramas in the Canadian Rockies** Dave Birrell, 2000 A drive through the mountains is always a pleasant experience Travellers will be able to make the most of their road trips through the Canadian Rockies by keeping Dave Birrell's new pictorial guidebook handy in their glove compartments Birrell delivers 50 magnificent mountain panoramas taken from highway viewpoints in the Rockies Interesting historical tidbits accompany the panorama photos helping the reader identify peaks by name Read the fascinating stories associated with geographical features such as valleys lakes and passes and meet some of the individuals who shaped the early history and exploration of the Rockies

**The South Australian Government Gazette** South Australia, 1900 Encyclopedia of Political Thought Garrett Ward Sheldon, 2001 Presents articles on concepts issues and notable persons related to politics and political science throughout history *Temple Bar* George Augustus Sala, Edmund Yates, 1883 **Kelly's directory of Bedfordshire, Hunts, and Northamptonshire** Kelly's

directories, ltd,1885     *Debrett's illustrated baronetage and knightage (and companionship) of the United Kingdom of Great Britain and Ireland* ,1903     **British Prime Ministers and Democracy** Roland Quinault,2011-03-17 Today representative democracy is the dominant political system in the world Britain played a prominent part in the democratization of the world through both its constitutional reforms at home and its power and influence abroad In that process Prime Ministers played a prominent role through their power and influence in government Parliament and the country more generally Quinault examines the stance of ten leading Prime Ministers from the mid nineteenth century until the twenty first century on the theory and practice of democracy The attitude of each Prime Minister is assessed by considering their general views on democracy and their use of that term and concept in their discourse and thereby their role in advancing or resisting democratic political change Particular attention is paid to their role in electoral reform together with their stance on the composition and powers of the House of Lords and the role of the monarchy in the governing process Their attitudes to the democratic aspects of some major international issues are also considered     Temple Bar ,1883     *The History of Tulsa, Oklahoma* Clarence B. Douglas,1921     **Catalogue of Printed Books** British Museum. Department of Printed Books,1902  
*Good Health* ,1898
