

WILLIAM LYON MACKENZIE.

# William Lyon Mackenzie

**Joy E. Esbrey**

## **William Lyon Mackenzie:**

*After the Rebellion* Lillian F. Gates, 1996-07-25 This comprehensive book on William Lyon Mackenzie's later life focuses first on the period 1838-1849 Mackenzie's years in exile in the United States. It examines his contribution to the American political scene including his role in writing the constitution of the State of New York. The book also chronicles Mackenzie's life from 1849 when he was granted amnesty and returned to Canada to his death in 1861. In this the only comprehensive look at Mackenzie's life Lillian Gates offers a meticulous account of one of Canada's liveliest nineteenth-century politicians.

*Mackenzie*, 2002 **The First Canadian** Allen R. Wells, 2014-01-27 William Lyon Mackenzie King served all of Canada as Prime Minister. He was Canada's longest-serving Prime Minister and for all other Commonwealth countries too. His successive governments created the Canadian Welfare state and the place we once held in the world. King strove for the social cushion of a united, autonomous, and prosperous country. A lifetime later, all Canadians still benefit from his initiative and skill. King's life followed the Social Gospel in the political world and in the pioneering study of industrial relations. His work, relatives, and friends' successes and disappointments are presented as you have never encountered them before.

*William Lyon Mackenzie King, Volume 1, 1874-1923* Robert Dawson, 1958-12-15 When William Lyon Mackenzie King retired in 1948, he had held office as Prime Minister of Canada for a total of 7829 days, a longer term of service than that of any other Prime Minister in the history of the British Commonwealth. Like Roosevelt, his contemporary of many momentous years, he was greatly admired and greatly hated, but none dispute the tremendous influence he exerted on the history of his country or indeed his place in world history. In this official biography, great days of Canadian history are given life and meaning, and at the centre of all the events is a phenomenal personality, gifted with intelligence, intrepidity, and luck, with amazing insight into his times and the nature of his political occupation. The biography, based largely on sources hitherto unavailable, permits the reader to witness the unfolding of important events as a chief participant himself saw them and to view far-reaching decisions through the eyes of the man who made them. For Mackenzie King speaks in his own words through much of these volumes. They allow us to observe an extraordinarily complex and powerful personality at work. In this first volume, Mackenzie King's life and political career are traced up to the firm establishment of his first administration as Prime Minister. The forces in his background, education, and early interests, which eventually led him into politics, are brought out vividly. It is both fascinating and touching for instance to observe in letters and personal papers the intimate family relationships which so largely determined what Mackenzie King became. Once public service had been chosen, he displayed such talents that a leading role seems almost inevitable to all who knew him. *William Lyon Mackenzie King: 1874-1923*

Robert MacGregor Dawson, 1958 *The Firebrand* William Kilbourn, 2008-06-30 Kilbourn vividly brings to life the rebel Canadian hero William Lyon Mackenzie, able political editor, first mayor of Toronto, and the gadfly of the House of Assembly.

**William Lyon Mackenzie King** Lillian Goodall, 2003-01-01 Mackenzie King 1874-1950 was Canada's tenth and longest

serving prime minister and an important figure on the international scene especially during the Second World War This book provides a fascinating glimpse into the world of Mackenzie King *Portrait of Sir William Lyon Mackenzie King (1874-1950), Prime Minister of Canada (1921-1948)*. Gamble Collection, Canada. Prime Minister. (1921-1948 : King), 1921

**William Lyon Mackenzie King: 1874-1923** Robert MacGregor Dawson, H. Blair Neatby, 1958 This second volume of the official biography of Mackenzie King covers the years 1924 to 1932 At the opening of this period King was still an inexperienced and untried leader but the next few years were to test his qualities as he dealt with the concessions and compromises necessary in governing with an unstable majority and finally emerged the winner from the complicated chess games of parliamentary sessions The Liberal success in the election of 1926 returned to office a Prime Minister with confidence in his own judgment and more inclined to hold firm to his own opinions against opposition from his colleagues or his party After this election and the outcome of that in 1930 which handed over to the Conservatives the problems of the depression the myth of King's political infallibility continued to grow But a less able man would have been less lucky As this book shows King was a consummate party leader with an unusual sensitivity to political danger and an unusual capacity to learn from his mistakes In the years 1924 to 1932 a number of familiar Canadian issues had to be dealt with freight rates on land and sea the debate between a tariff for protection the problems of the Maritime Provinces the natural resources of the Prairie Provinces old age pensions the St Lawrence Waterway immigration There were also other more striking incidents which the author chronicles with verve and style the customs scandal of 1926 the heady pleasures of the years of prosperity and the dismal frustrations of the years of depression the election of 1930 the Beauharnois sensation Throughout skillful use is made of the public records of these years of the King papers and the copious pages of King's own daily diary of his political problems his conversations with colleagues and diplomats his worries and frustrations over difficult decisions his own aims and ideals Over these years King developed and strengthened his convictions about the overriding concern of all Canadian political leaders national unity Only a proper estimate of what was desirable what was necessary and what was impossible could guide in the working out of policies that would be tolerable by the whole of Canada and it was of course King's firm belief and the guiding principle of his political life that the cause of national unity was best served by the cause of Liberalism since that party above all represented the major sections or groups in Canada and alone could effect a satisfactory compromise among them This book brilliant and effective in conception and execution is a study of political leadership in a divided nation a nation which even in calmer times is proverbially difficult to govern It is also a revealing and convincing study of a complex man whose drab public image concealed unsuspected eccentricities **William Lyon Mackenzie** Charles Lindsey, George Goldwin Smith Lindsey, 2023-07-18 This biography explores the life of William Lyon Mackenzie a Scottish born Canadian journalist and politician who played a key role in the rebellion against British colonial rule in Upper Canada Drawing on extensive archival research the author provides a detailed and engaging portrait of this fascinating

historical figure This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**A Canvass of the Proceedings on the Trial of William Lyon Mackenzie, for an Alleged Violation of the Neutrality Laws of the United States** Thomas Jefferson Sutherland, William Lyon Mackenzie, 1840 Mackenzie was indicted on charges of having set on foot and provided and prepared the means for a military expedition to be carried on from the United States against the dominions of the Crown and United Kingdoms of Great Britain and Ireland P 5

**Canadian History: Beginnings to Confederation** Martin Brook Taylor, Doug Oram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover [The Message of the Carillon And Other Addresses](#) William Lyon Mackenzie King, 2022-08-01

[The Message of the Carillon and Other Addresses](#) William Lyon Mackenzie King delves into the collective consciousness of a nation offering insights into the philosophies and steadfast beliefs that underpin Canadian society This compilation exemplifies King's eloquence and commitment to public service as it weaves together speeches that resonate with both historical significance and timeless wisdom The literary style is formal and imbued with the oratory flair distinct to the political arena of King's era Set against the backdrop of early to mid 20th century Canadian politics these addresses are not just a reflection of the period's sociopolitical milieu but also an exhibition of the statesmanship that King was renowned for The book stands as a testament to the power of words to inspire lead and effect change within a democratic framework William Lyon Mackenzie King was not just Canada's longest serving prime minister but also a scholar and an intellectual His profound understanding of national identity and societal needs likely stemmed from his extensive involvement in the governance and development of Canada during some of its most formative years including the tumult of the Great Depression and the trials of World War II It's within this context that [The Message of the Carillon and Other Addresses](#) emerges as a distillation of King's vision for Canada a vision built on unity resilience and progress His addresses are therefore not merely speeches but pivotal historical documents that encapsulate the ethos of a nation's struggle and growth [The Message of the Carillon and Other Addresses](#) is recommended for readers who have an avid interest in Canadian history political science and the art of statesmanship It is a compelling read for those who seek to understand the intricacies of Canada's political landscape through the intellectual legacy of one of its most influential leaders King's speeches provide both a deeper look into Canada's past and lessons that remain pertinent to the challenges of governance leadership and national identity in

today s world     William Lyon Mackenzie King, Volume II, 1924-1932 H. Blair Neatby, 1963-12-15 Cover CONTENTS

*Biography-King, William Lyon Mackenzie [file Folder].* William Lyon Mackenzie King,     The Selected Writings of  
William Lyon Mackenzie, 1824-1837 William Lyon Mackenzie, 1960     **William Lyon Mackenzie King, Volume II,  
1924-1932** H. Blair Neatby, 1963-12-15 This second volume of the official biography of Mackenzie King the first written by R  
MacG Dawson was published in 1958 covers the years 1924 to 1932 At the opening of this period King was still an  
inexperienced and untried leader but the next few years were to test his qualities as he dealt with the concessions and  
compromises necessary in governing with an unstable majority and finally emerged the winner from the complicated chess  
games of parliamentary sessions The Liberal success in the election of 1926 returned to office a Prime Minister with  
confidence in his own judgment and more inclined to hold firm to his own opinions against opposition from his colleagues or  
his party After this election and the outcome of that in 1930 which handed over to the Conservatives the problems of the  
depression the myth of King s political infallibility continued to grow But a less able man would have been less lucky As this  
book shows King was a consummate party leader with an unusual sensitivity to political danger and an unusual capacity to  
learn from his mistakes In the years 1924 to 1932 a number of familiar Canadian issues had to be dealt with freight rates on  
land and sea the debate between a tariff for protection the problems of the Maritime Provinces the natural resources of the  
Prairie Provinces old age pensions the St Lawrence Waterway immigration There were also other more striking incidents  
which the author chronicles with verve and style the customs scandal of 1926 the heady pleasures of the years of prosperity  
and the dismal frustrations of the years of depression the election of 1930 the Beauharnois sensation Throughout skilful use  
is made of the public records of these years of the King papers and the copious pages of King s own daily diary of his political  
problems his conversations with colleagues and diplomats his worries and frustrations over difficult decisions his own aims  
and ideals Over these years King developed and strengthened his convictions about the over riding concern of all Canadian  
political leaders national unity Only a proper estimate of what was desirable what was necessary and what was impossible  
could guide in the working out of policies that would be tolerable by the whole of Canada and it was of course King s firm  
belief and the guiding principle of his political life that the cause of national unity was best served by the cause of Liberalism  
since that party above all represented the major sections or groups in Canada and alone could effect a satisfactory

compromise among them This book brilliant and effective in conception and execution is a study of political leadership in a divided nation a nation which even in calmer times is proverbially difficult to govern It is also a revealing and convincing study of a complex man whose drab public image concealed unsuspected eccentricities **WILLIAM LYON MACKENZIE** Charles 1820-1908 Lindsey, George Goldwin Smith 1860 Lindsey, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Knight of the Holy Spirit** Joy E. Esbrey, 1980-12-15 This study of the personality of William Lyon Mackenzie King challenges the view that he led a double life Through a blending of psycho biography and political analysis Joy Esbrey shows how King s personality traits influenced his political behaviour and how his personal and public life were an integrated whole neither contradictory nor unrelated She explores the various traumas of his early family life resulting in difficulties with autonomy and adequate occupational and sexual roles She also discusses the dimensions of neurotic trends including problems associated with his mother s death the significance of his religious beliefs and need for spiritualism the cult of money and obsessive compulsive defence mechanisms King was greatly concerned with the Tennysonian ideal of knightly conduct pure and heroic social leadership This trait is defined in terms of relationships with women and with such men as Lord Tweedsmuir Loring Christie and Vincent Massey His role as policy maker is considered in light of the assertion that consensus rather than compromise characterized his behaviour This hypothesis is explored through a study of tariff policy and relations with Britain and through the model of King as peacemaker and his visit to Hitler Throughout the book the author makes extensive use of King s letters and diary illuminating his personality and showing how despite his quirks and oddities he managed to keep himself in balance This fresh view of King concludes with a brief description of consistencies and repetitions in his personal and political conduct in his declining years Short Description This study of the personality of William Lyon Mackenzie King challenges the view that he led a double life Through a blending of psycho biography and political analysis Joy Esbrey shows how King s personality traits influenced his political behaviour and how his personal and public life were an integrated whole neither contradictory nor unrelated
