Willing Spirit:

The Experience, Growth, and Ministry of Life for the Body Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Anaheim California on April 12 14 2013 The general subject of the training was The Experience Growth and Ministry of Life for the Body Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ

Basic Lessons on Life Witness Lee, 1993

What is Born of the Spirit is Spirit Mark G. Boyer, 2019-11-05 What is Born of the Spirit is Spirit provides reflections on Scripture texts associated with Holy Spirit and human spirit Various aspects of Spirit and spirit are explored in one hundred five entries The subtitle A Biblical Spirituality of Spirit indicates the ways biblical authors are inspired to present imaginatively what cannot be pictured Spirit and spirit This book attempts to recover the spirituality of biblical stories that narrate how the Spirit connects to spirit and the results of such connectivity By exploring the use of biblical metaphors and similes we develop a spirituality of Spirit the way human spirit is in the presence of the divine Spirit Spirituality is Spirit connecting to spirit It is Spirit giving birth to spirit John 3 6

Spiritual Oxygen Mark G. Boyer, 2025-10-22 The adjective spiritual refers to aspects of one's spirit The idea that each person possesses an immaterial and immortal soul which is distinct from the body did not appear in Jewish biblical literature before the Babylonian exile After interacting with Persian and Hellenistic philosophies the word nephesh entered Hebrew meaning living being not the dichotomous Hellenistic meaning Thus the biblical soul refers to a living breathing conscious body According to biblical literature God like a potter formed people from clay dirt and breathed divine breath into them Spiritual oxygen refers to the divine breath or spirit given to all living beings The Hebrew word ruah which can be translated into English as breath spirit or wind means that everything that breathes is inspirited When a person breathes the colorless and odorless gas known as oxygen one is simultaneously inhaling spirit Thus biblical spirituality is the process of living one's life in relationship with God while breathing deeply of the divine spirit Biblical spirituality for the twenty first century consists of spirits humans living and breathing Spirit God and being aware of the divine presence in which one lives and moves and has his or her being This book explores that process

Other Voices in Old Testament Interpretation W. Creighton Marlowe, 2019-09-17 The main goal of this book is to provide a collection of essays formerly only available separately in various academic journals that offer untraditional and original exegetical insights into or solutions to popular or problematic Old Testament texts and topics It illustrates the science and art of exegesis by an author within a broad evangelical context and demonstrates the interpretive value of reading biblical texts without prejudice to tradition and with careful attention to their historical and cultural contexts
