After her husband is killed by a shot in the back Hannah Parsons struggles to keep her ranch viable despite an anonymous campaign against her With fences cut cattle rustled and ranch hands deserting she still tries to make a go of it Colton Rawlins a friend from years before learns of her trouble and rides to help He finds the beautiful widow under attack and he stands firm in his support of her despite her resistance to his plan As Colt and Hannah uncover long buried secrets she must avoid falling prey to the evil surrounding her but how can she allow her life to be changed forever by the man who appeared with the prairie wind *Winds Across the Prairie* Debra L. Hall,2004-04-29 It is the summer of 1868 and nothing is more important to Iris Stratton than her love of the prairie nothing except Andrew Burgess The previous summer Andrew traveled from Boston to the spanning plains of Nebraska packing dreams of becoming a rancher His stay was brief however leaving Iris to wonder if she would ever see him again Then news came from back east John and Andrew are pushing a massive herd of horses toward the swelling grasslands Unbridled excitement fills the windy summer days Iris secretly remains devoted to Andrew despite the marriage arrangement her father unwittingly sealed at the time of her birth One day while preparing for her coming of age party Iris discovers a letter in the attic a letter written by her long deceased mother Perplexing questions begin to unfold When her prim aunt is unwilling to provide the answers Iris turns to her convalescing father whose only utterance is Ivy on the wall The winds that have blown across the prairie have carried away more than the scent of wildflowers They have whisked away a startling secret that Iris is determined to reveal **Ward's Automobile Topics** ,1909 **Trapper's Moon** Gini Rifkin,2019-12-06 As a free trapper mountain man Kade McCauley is wary of the Hudson Bay Company Their form of vengeance against those who are not part of the company can be deadly When he and his partner are attacked he fights back only to discover one of his shots struck an innocent A woman who touches his soul and he will do anything to keep her safe While searching for her Native American tribe Blind Deer crosses paths with Kade with near fatal results Once she is patched up she decides it is safer to travel with him than alone Their uneasy alliance turns to genuine caring but Blind Deer s past gets in the way and she must choose between love or old obligations But nothing in life is carved in stone except the mountains and those formidable peaks have been known to change the course of a man s life or a woman s *Outers' Book-recreation* ,1920 *Alpha Xi Delta* ,1921 *Outing and the Wheelman* ,1885 **The Illinois Agriculturist** ,1928 *Wind Across the Prairie* Linda Slebodnik,2005-10 In 1854 when the newly formed Kansas Territory opened to settlers many families packed up and moved west Among them were Joseph and Molly Malone along with their good friends Frank and Laura Stephenson As the people attempted to form a state violence erupted between the new territory and her pro slavery neighbor Missouri It was a difficult life fraught with hardships which often forced people to

move back east Joseph and Molly who had come from wealthy families were committed to building their new lives and raising their children without the social encumbrances they had left behind Surviving the years of Bleeding Kansas while the new state was formed proved only to be the beginning By the time Kansas was admitted to the Union as a free state several southern states had already seceded The citizens of Kansas were once more embroiled in violence this time on a much larger scale
