Unifying Force:

The Unifying Force: Star Wars Legends James Luceno, 2004-08-03 At long last the New York Times bestselling series that launched the Star Wars saga into the next generation and into thrilling new territory reaches its spectacular finale Side by side Luke Skywalker Han Solo Leia Organa Solo their children and their comrades in the Galactic Alliance rally for their last stand against the enemy that threatens not only the galaxy but the Force itself The Galactic Alliance's hard won success in countering the Yuuzhan Vong onslaught has proven all too brief and the tide has turned once more to the invaders advantage Having overcome the sabotage strategies of the Jedi and their allies the marauding aliens have pushed deeper into the galaxy and subjugated more worlds in their ruthless quest for domination Coruscant has been remade into a Yuuzhan Vong stronghold The remnants of the resistance are struggling to form a united front Luke Mara and Jacen are missing in action Clearly the stage is set for endgame Now as Han and Leia receive the chilling news that hundreds of high ranking Galactic Alliance prisoners face slaughter in a sacrifice to the enemy's bloodthirsty gods Luke and his team try desperately to convince the living world of Zonama Sekot to join the Jedi's final campaign against the Yuuzhan Vong Yet even as they speak a lone space station is all that stands between Alliance headquarters on Mon Calamari and wave after wave of ferocious enemy forces waging their most decisive assault At the same time the Jedi's alliances throughout the galaxy are being tested and the chances of victory jeopardized by rogue factions determined to deploy the lethal weapon that will exterminate the Yuuzhan Vong and perhaps countless other species And among the Yuuzhan Vong themselves the threat of revolt has reached a boiling point as the oppressed underclass and powerful officials alike fear their Supreme Overlord's mad actions will provoke the wrath of the gods Ultimately for both the forces of invasion and resistance too much has been sacrificed and too much is at stake to ever turn back And now nothing can stand in the way of seizing victory or facing annihilation

Cross-Tradition Engagement on the Laws of Logic Bo Mou, 2024-06-14 This book demonstrates how through cross tradition engagement insights and engaging treatments from the Chinese philosophical tradition can work with relevant resources from modern logic and contemporary philosophy to enhance our understanding of two basic principles of logic the law of identity and the law of non contradiction The law of identity and the law of non contradiction are widely accepted principles in logic and other intellectual pursuits However there are disagreements as to how to understand and treat the genuine structures and contents of these two basic principles This book provides a holistic inquiry into these principles for the sake of enhancing our understanding and treatment of them from the vantage point of cross tradition engagement It begins by offering a philosophical interpretation of three classical texts in Chinese philosophy in their respective contexts the Bai Ma Lun in Gongsun Long's texts the Xiao Qu in the Later Mohist texts and Lao Zi's Dao De Jing in classical Daoism The author explains an innovative dual track characterization of relative identity that is informed by relevant resources from these texts as well as Western philosophical traditions He shows how this cross tradition engaging approach can make
