The Versatile Manager Robert Rogers Blake, Jane Srygley Mouton, 1986
Blake, Jane Srygley Mouton, 1981

Management Gurus, Revised Edition Andrzej Huczynski, 2012-11-12 Management gurus have existed for as long as the leaders of large complex organizations have had intractable problems to solve This seminal text asks key questions such as What is the secret of the success of management gurus and how can it be emulated In this revised edition Andrzej Huczynski brings his analysis of gurus into the twenty first century He identifies the essential ingredients of popular management ideas and contends that company managers business school academics and management consultants all have the possibility of attaining guru status by following the guidelines contained in this book It includes an additional chapter by Brad Jackson Department of Management and Employment Relations The Auckland University Business School New Zealand and Eric Guthey Department of Intercultural Communication and Management The Copenhagen Business School Denmark Management Gurus is a must read for all those studying organizational behaviour leadership and organizational psychology or for those who wish to attain guru status

Principles of Management David S. Bright, Anastasia H. Cortes, Eva Hartmann, K. Praveen Parboteeah, Jon L. Pierce, Monique Reece, Amit Shah, Siri Terjesen, Joseph Weiss, Margaret A. White, Donald G. Gardner, Jason Lambert, Laura M. Leduc, Joy Leopold, Jeffrey Muldoon, James S. O'Rourke, 2019-03-27 Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management This is a traditional approach to management using the leading planning organizing and controlling approach Management is a broad business discipline and the Principles of Management course covers many management areas such as human resource management and strategic management as well as behavioral areas such as motivation No one individual can be an expert in all areas of management so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters This is an adaptation of Principles of Management by OpenStax You can access the textbook as pdf for free at openstax.org Minor editorial changes were made to ensure a better ebook reading experience Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4.0 International License

Management Laureates Arthur G. Bedeian, 2018-04-17 First published in 1992 This volume compiles the autobiographies of the management discipline's most distinguished laureates Prior to this publication the available management literature provided little insight into the personal and intellectual lives the frustrations as well as the triumphs of the individuals in the management discipline Although such understanding could be conveyed in many forms perhaps the most intimate and fascinating of these for gaining behind the scenes insights is the autobiography Thus the autobiographies in this volume as in the five companion volumes offer the reader not only a glimpse of the subjective determinants and personal experiences of the management discipline's most distinguished laureates but also a deeper understanding of what management is and what it is becoming The various accounts reflect a diversity of approaches

interests and experiences **Social Style/Management Style** Robert Bolton, Dorothy Grover Bolton, 1984-10-25 What is social style and how can you make it work for you in a business situation Your success at any management level depends largely on your ability to deal with other people In this business oriented approach to interpersonal relationships management experts Robert Bolton and Dorothy Grover Bolton show you how to assess various behavior patterns and how to use that knowledge to capitalize on your strengths minimize your weaknesses and get the results you want from others Are you predominantly an Amiable an Analytical an Expressive or a Driver Nearly everyone according to Boltons extensive research uses one of the four basic social styles more often than the others No style is better than any other but each does bring with it a unique pattern of strengths and weaknesses This book shows you not only how to recognize your style but also how to use that knowledge to manage others more effectively set appropriate life goals and career paths plan a sound self improvement plan increase your creativity and more The best managers excel at being what they are rather than trying to be what they are not If you feel that your effectiveness at work could be increased by better interpersonal skills but are tired of theories that want you to overhaul yourself to fit some uncomfortable impersonal management style then let Social Style Management Style improve your dealings with others and still let you be yourself Personnel Literature ,1981
