## Visions Of Utopia:

**Visions of Utopia** Fred E. Baumann, Recorded Books, LLC., 2008-06-19 Catch of the Day

**Visions of Utopia** Edward Rothstein, Herbert Muschamp, Martin Marty, 2003-02-06 From the sex free paradise of the Shakers to the worker's paradise of Marx utopian ideas seem to have two things in common they all are wonderfully plausible at the start and they all end up as disasters Three leading cultural critics look at the history of utopian thinking exploring why they fail and why they are still worth pursuing

*Astrofuturism* De Witt Douglas Kilgore, 2010-08-03 Astrofuturism Science Race and Visions of Utopia in Space is the first full scale analysis of an aesthetic scientific and political movement that sought the amelioration of racial difference and social antagonisms through the conquest of space Drawing on the popular science writing and science fiction of an eclectic group of scientists engineers and popular writers De Witt Douglas Kilgore investigates how the American tradition of technological utopianism responded to the political upheavals of the twentieth century Founded in the imperial politics and utopian schemes of the nineteenth century astrofuturism envisions outer space as an endless frontier that offers solutions to the economic and political problems that dominate the modern world Its advocates use the conventions of technological and scientific conquest to consolidate or challenge the racial and gender hierarchies codified in narratives of exploration Because the icon of space carries both the imperatives of an imperial past and the democratic hopes of its erstwhile subjects its study exposes the ideals and contradictions endemic to American culture Kilgore argues that in the decades following the Second World War the subject of race became the most potent signifier of political crisis for the predominantly white and male ranks of astrofuturism In response to criticism inspired by the civil rights movement and the new left astrofuturists imagined space frontiers that could extend the reach of the human species and heal its historical wounds Their work both replicated dominant social presuppositions and supplied the resources necessary for the critical utopian projects that emerged from the antiracist socialist and feminist movements of the twentieth century This survey of diverse bodies of literature conveys the dramatic and creative syntheses that astrofuturism envisions between people and machines social imperatives and political hope physical knowledge and technological power Bringing American studies utopian literature popular conceptions of race and gender and the cultural study of science and technology into dialogue Astrofuturism will provide scholars of American culture fans of science fiction and readers of science writing with fresh perspectives on both canonical and cutting edge astrofuturist visions

**Visions of Utopia** Laszlo Szechenyi, 1998-04-30

**Visions of Utopia** Hiromi Mitani, 1994 *Introduction to Political Theory* Jasper Sumner, 2016-08-10 Visions of Utopia A Political Theory Anthology approaches political theory through analysis of the modern ideologies that shape our experience of the world today The reading selections shed light on the significant utopian elements in political theory as a whole as well as the non utopian traditions that have dominated modern political and moral discourse The anthology features the writing of seminal political thinkers including Plato and Aristotle Thomas More Marx and Engels Locke Rousseau Adam Smith and

Thomas Hobbes More recent political thought is represented by George Orwell Aldous Huxley and B F Skinner Students become familiar with communitarianism and the utopian universe liberal and conservative reactions to utopianism the feminist environmentalist and dystopian views of utopianism Organized and designed from a utopian methodological perspective Vision of Utopia is well suited to introductory courses in political theory philosophy and global studies

Introduction to Political Theory III Jasper Sumner, 2015-12-31 Visions of Utopia A Political Theory Anthology approaches political theory through analysis of the modern ideologies that shape our experience of the world today The reading selections shed light on the significant utopian elements in political theory as a whole as well as the non utopian traditions that have dominated modern political and moral discourse The anthology features the writing of seminal political thinkers including Plato and Aristotle Thomas More Marx and Engels Locke Rousseau Adam Smith and Thomas Hobbes More recent political thought is represented by George Orwell Aldous Huxley and B F Skinner Students become familiar with communitarianism and the utopian universe liberal and conservative reactions to utopianism the feminist environmentalist and dystopian views of utopianism Organized and designed from a utopian methodological perspective Vision of Utopia is well suited to introductory courses in political theory philosophy and global studies Jasper Sumner III completed his graduate studies at the University of Oklahoma and is a trustee lecturer in the School of Liberal Arts at Indiana University Professor Sumner has taught courses in contemporary political philosophy introductory political theory classical political thought and utopian thought His writing has appeared in the Indiana Journal of Political Science and Governance and he has been a presenter at the Society for Utopian Studies the Southwestern Social Science Association the Western Political Science Association and the Midwest Political Science Association

**Three Visions of Utopia** Noeline Fay Mitchell, 1985 **Ideal Commonwealths** Various, 2019-11-26 In Ideal Commonwealths a compendium of utopian literature various authors present compelling visions of ideal societies that reflect the philosophical political and social aspirations of their times The book comprises a collection of essays and narratives each weave the intricate tapestry of imagined communities replete with innovative governance social harmony and economic equity Through diverse literary styles ranging from allegorical prose to poetic meditations the narratives challenge readers to reevaluate the constructs of their own societies against the dual lenses of idealism and practicality invoking the rich context of Enlightenment thought and critiques of contemporary politics The contributors to this volume ranging from Thomas More with his foundational work Utopia to lesser known thinkers share a deep concern with the human condition and societal organization Many were influenced by the tumultuous political climates of their eras leading them to envision alternative realities that promised progress and fulfillment This book serves not just as a historical document but as an exploration of the aspirations that lead civilizations to strive for improvement embodying the timeless quest for a better world Ideal Commonwealths is highly recommended for readers interested in political philosophy literary utopias and the human quest for social justice It invites them into a thoughtful dialogue about what constitutes an

ideal society encouraging reflection on the values and structures we embrace in our contemporary world This engaging anthology is essential reading for scholars and enthusiasts alike offering intellectual nourishment and inspiration amidst an increasingly complex global landscape

Looking Backward to Nowhere, 2010 Contains the full text of two contrasting works on utopias with selections from Thomas More's *Utopia* and a brief introduction by Richard Mathews

**Visions of Utopia** John Egerton, 1977 Visionaries of all ages and places have pursued Utopias dreaming impossible dreams of starting over in new communities fashioned more closely to their ideals In *Visions of Utopia* John Egerton traces the fascinating history of the experimental communities founded by such groups in Tennessee He focuses in particular on three extraordinary colonies of the 19th century each of them widely known in its time Nashoba and interracial settlement near Memphis in 1825 Rugby an English cooperative community on the Cumberland Plateau in 1880 and Ruskin a socialist community in Dickson County in 1894 John Egerton is a native Southerner A Georgian by birth a Kentuckian in his childhood and youth a Floridian during the early 1960s and a Tennessean since 1965 He is a grandson of one of the English colonists who started the Rugby settlement in 1880 As a journalist and author he has written articles on a variety of subjects for more than twenty magazines and has published two books about the South *A Mind to Stay Here* 1970 and *The Americanization of Dixie* 1974

*Visions of Utopia* III Jasper Sumner, 2016-08-10 *Visions of Utopia* A Political Theory Anthology approaches political theory through analysis of the modern ideologies that shape our experience of the world today The reading selections shed light on the significant utopian elements in political theory as a whole as well as the non utopian traditions that have dominated modern political and moral discourse The anthology features the writing of seminal political thinkers including Plato and Aristotle Thomas More Marx and Engels Locke Rousseau Adam Smith and Thomas Hobbes More recent political thought is represented by George Orwell Aldous Huxley and B F Skinner Students become familiar with communitarianism and the utopian universe liberal and conservative reactions to utopianism the feminist environmentalist and dystopian views of utopianism Organized and designed from a utopian methodological perspective *Vision of Utopia* is well suited to introductory courses in political theory philosophy and global studies
