graduate students learn about stories in different languages to understand fiction in the USA All stories have a theme in which most of them involve male and female relationships of the same age These relationships are based on the Bible where God created Adam and Eve on the sixth day meaning same age and opposite gender There are other biblical themes including science among other messages to have a reader stay focus on every word used in these stories Goals for writing these stories is to get people to read and develop reading as a hobby Reading fiction can be an escape from reality to go into a paradise imagination Those who major in literature will likely have a great understanding of the short stories in Hobby for Readers
