Does My Dog Love Me? Graeme Hall, 2024-02-01 Now a Sunday Times bestseller Have you ever wondered what your dog is really thinking Our dogs mean the world to us and as owners we do our best to make sure they feel happy and loved whilst also keeping them in line when needed But wouldn't it be so much easier if we spoke the same language and could ask what they were thinking or feeling In his latest book top dog trainer Graeme Hall reveals the secrets to understanding what your furry companion is trying to say and how they see the world Drawing on 15 years of experience training over 5 000 dogs and backed up with scientific evidence he tackles all the tricky questions you've ever wanted to ask such as how do I tell my dog he's been naughty and how long does a dog remember Sharing his own personal stories and practical tips Graeme demonstrates how to interpret your dog's body language and use that knowledge to build a stronger more rewarding relationship as well as how to avoid common mistakes Whether you're a seasoned dog owner or a new pup parent this book will change the way you think about your four legged best friend

Be The Dog Steve Duno, 2008-02-05 A well trained dog rewards you with a kind of love and loyalty you won't get anywhere else But the secret of this relationship is not in the dog it's in the owner Here's a revolutionary approach to dog training based on observing what natural dog owners do instinctively that is they intuitively understand the canine mind and relate to a dog by thinking like a dog Readers who follow their example will discover that instead of trying to outsmart the dog they'll build up his IQ Instead of trying different forms of punishment they'll enrich his environment Together owner and dog will throw away the old ideas of obedience and control and build a deeper relationship based on mutual respect
