**Recollections of the Late William Beckford** Henry Venn Lansdown,2009-05 William Thomas Beckford 1760 1844 was an English novelist art critic travel writer and politician Having studied under Sir William Chambers and Alexander Cozens he travelled to Italy in 1782 and promptly wrote a book on the subject Dreams Waking Thoughts and Incidents in a Series of Letters from Various Parts of Europe 1783 Shortly afterwards came his best known work the Gothic novel The History of the Caliph Vathek 1786 written originally in French and as he was accustomed to boast at a single sitting of three days and two nights There is reason however to believe that this was a flight of imagination It is an impressive work full of fantastic and magnificent conceptions rising occasionally to sublimity His other principal writings are Memoirs of Extraordinary Painters 1780 a satirical work and Letters from Italy with Sketches of Spain and Portugal 1835 full of brilliant descriptions of scenes and manners      **William Beckford's 'Vathek'** Marvin Hanisch,2011-07 Seminar paper from the year 2011 in the subject English Language and Literature Studies Literature grade 1 0 University of Passau language English abstract Die vorliegende Arbeit behandelt den Gothic Novel Vathek von William Beckford und analysiert die ambivalenten Moralvorstellungen in dem Roman die insbesondere durch den Erz hler gepr gt werden Dabei wird der Text auf seine moralphilosophische Positionierung untersucht und kommt zu dem Schluss dass es sich bei Beckfords Erz hlung um eine ausgekl gelte Auto Satire handelt Die Interpretation wird in umfassendere Kontexte Zeitalter der Aufkl rung und Gattungsgeschichte der Gothic Novel eingebettet      *William Beckford's "Vathek" and Edward W. grade 2 0 RWTH Aachen University Anglistik course HS Gothic Novel language English abstract The purpose of this present survey is to investigate features of Edward Said's concept of Orientalism in William Beckford's Vathek. It intends to examine how far Beckford's novel reflects the standardization and cultural stereotyping that have helped to intensify the grasp of the imaginative demonology of the mysterious East. Said 2003: 26. Therefore I will at first present an introduction of Said's concept of Orientalism in order to be able to distinguish features of Orientalism in Beckford's novel in the main body of my term paper. The main focus will be on Violence and evilness, homoeroticism, sensuality and religion. The most important sources for my term paper are evidently Edward Said's book Orientalism, which has been first published in 1978, and William Beckford's novel Vathek 1786, which was originally written in French and translated into English by Reverend Samuel Henley Khrisat 2001: 192. Even though many scholars seem to have studied Said's notion of Orientalism in the scope of literary works like for example Eric Meyer and Bernard Lewis, there seem to exist few researches which are merely based on Orientalism in Vathek. However, the most important resource for this paper is Muna Al Alwana's survey about Orientalism in Beckford's novel, next to Jeffrey Cass's study who has investigated Vathek in respect to Orientalism and Homoeroticism. The most important resource for this paper is Muna Al Alwana's survey William Beckford and the New Millennium Kevin Berland, 2004. Beckford, d. 1844, a fabulously wealthy heir to a sugar fortune, spent his time and money amassing a major collection of art, furniture, books, and curios, and building a splendid Gothic Revival castle to house it. Ostracized from British society for his homosexuality, Beckford continued to collect, build, travel, and write, most notably the torrid Memoir of William Beckford. Dreams, walking thoughts and incidents William Beckford, 1928. **Memoirs of William Beckford of Fonthill, Vol. 1 of 2 (Classic Reprint)** Cyrus Redding, 2015-07-05. Excerpt from Memoirs of William Beckford of Fonthill Vol. 1 of 2. It was naturally to be expected that before this time some remembrances of one of the most remarkable men of his day would have appeared in an authentic shape. Every hour after the death of the individual carries into oblivion some trait of character or peculiarity which distinguished him from other men. Delay in such cases is dangerous. If said a distinguished writer, a life be delayed until interest and envy are at an end, we may hope for impartiality, but must expect little intelligence for the incidents which give excellence to biography are of a volatile and evanescent kind, such as soon escape the memory and are rarely transmitted by tradition.
