**The Church in the Workplace** C. Peter Wagner, 2006-05-20 If Christians are in the workplace then so is the church In The Church In The Workplace C Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry a service to God and even worship as what believers do on Sunday in their local churches A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two Wagner does just this as he looks at the biblical perspective on work the Holy Spirit s call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace

*The Gospel at Work* Sebastian Traeger, Greg D. Gilbert, 2014-01-28 Find God s vision for your job Reclaim God s vision for your life Many Christians fall victim to one of two main problems when it comes to work either they are idle in their work or they have made an idol of it Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment In The Gospel at Work Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the gospel can transform how we do what we do releasing us from the cultural pressures of both an all consuming devotion and a punch in punch out mentality in order to find the freedom of a work ethic rooted in serving Christ You ll find answers to some of the tough questions that Christians in the workplace often ask What factors should matter most in choosing a job What gospel principles should shape my thinking about how to treat my boss my co workers and my employees Is full time Christian work more valuable than my job Is it okay to be motivated by money How do you prioritize or balance work family and church responsibilities Solidly grounded in the gospel The Gospel at Work confronts both our idleness at work and our idolatry of work with a challenge of its own to remember that whom we work for is infinitely more important than what we do

**The Gospel at Work** Sebastian Traeger, Greg D. Gilbert, 2018 According to Sebastian Traeger and Greg Gilbert both idolatry of work and idleness on the job are deadly misunderstandings of how God intends for us to think about our employment Whether you ve made an idol of work or find yourself being idle at work this book helps reminds us that whom you work for is infinitely more important than what you do

**The Church and Work** Joshua Sweeden, 2014-01-31 Work is one of the most dominant and unavoidable realities of life Though experiences of work vary tremendously many Christians share a common struggle of having to live in seemingly bifurcated spheres of work and faith Beginning with the conviction that Christian faith permeates all aspects of life Joshua Sweeden explores Christian understandings of good work in relationship to ethics community practice and ecclesial witness In The Church and Work Sweeden provides a substantial contribution to the theological conversation about work by proposing an ecclesiological grounding for good work He argues that many of the prominent theological proposals for good work are too abstract from context and demonstrates how the church can be understood as generative for both the theology and practice of good work This needed ecclesiological

development takes seriously the role of context in the ongoing discernment of good work and specifically explores how ecclesial life and practice shape and inform good work Christian understandings of good work are inconceivable without the church Accordingly the church is not simply the recipient and a dispenser of a theology of work but the locus of its development This richly theological book makes explicit the resources of Christian theology for the world of work and for the support of laypeople in day to day lives Too few books tackle this important subject The Church and Work creatively engages the existing literature and offers important new insights into how ecclesial life and practice can shape and inform good work Esther D Reed University of Exeter This volume stands to make a significant contribution to Christian theologies of work particularly through its attention to ecclesiology and the particularities of context This book also shows the continued importance of ecclesiology to practical theology and highlights the category of practice as worthy of attention in studies of the church Claire Wolfteich Boston University School of Theology The Church and Work is a deeply theological and very timely reminder that neither work nor the worship of the church stands still Thinking about work always is or rather should be to re examine in great concreteness who and how we worship Brian Brock University of Aberdeen Rather than abandoning work to the marketplace Sweeden offers a theologically sound congregationally sensitive treatment of work central to the Christian life While providing a sound introduction to classic and contemporary definitions of work Sweeden s unique contribution rests with his articulating work as a form of ecclesial practice a compelling view that makes the book a necessary read Dean G Blevins Nazarene Theological Seminary Joshua Sweeden is Assistant Professor of Theology Richard B Parker co chair in Wesleyan Theology at George Fox Evangelical Seminary

**The Church Missionary Intelligencer**, 1906 **The Churchman**, 1915 *Making the Church Work* Edward H. Hammett, 2000 In the first edition of *Making the Church Work* Hammett wrote that the church is not only in need of change but also in need of a conversion Now his conviction is stronger than ever In this second edition he addresses the issues of changing values values about what leaders and their congregations are doing as a church and the effectiveness of their techniques Hammett is convinced that until church leaders change their values healthy relevant and effective churches are not likely to appear Unique features of this book include Overview of trends and issues impacting the church s ineffectiveness Opportunities for individual readers and small groups and congregations to reflect on their journey in light of these trends and issues Practical guidance for addressing some problems and for equipping the church for more effective ministry in the 21st century The Church-builder Incorporated Church building society, 1880 **Christian Literature and Review of the Churches**, 1894 Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church"), 1893 **The Christian Science Journal**, 1924 *Appleton's Cyclopædia of American Biography* James Grant Wilson, 1924 *Catalogue of the Guildhall Library of the City of London* Guildhall (London). - Library, 1889 **Church Officers** Frederick Alfred Agar, 1918 **The Daily Washington Law Reporter**, 1880 Vols for 1902 include decisions of the
