first half God sends an angel close to the first half ending of tribulation to announce the everlasting gospel Many people have hoarded food and other supplies but are only concerned with themselves It must have been that many people were unaware of this sheep and goat judgment in force Those who will not share with folks in need are goats and will be cast out of the kingdom You survived the 666 mark and the beast worship but failed to share God help you **Children's Books in Print**,1993 The Itofit David Anirman,2012-08 Three children become lost in the woods where they encounter a creature from the fabulous land of It who soon leads them on the adventure of a lifetime The Itofit is a fantasy tale about three curious children who after getting lost in the woods meet a creature named It from the land of It The Itofit is also lost He cannot remember much from the past and is trying to find his way back home It is a perfect day for an adventure so the children decide to help the Itofit and together they all embark on a magical journey through woods and swamps and the amazing land of It En route they encounter strange opinionated and kooky characters some of whom are quite horrific Beside the Itofit and the children are buoyant Baloomerangs who float on air and curious Snigglesnorfs who sniggle not to mention a dreadful district inquisitor and the Durjge Dorque both riding evil vegetable monsters These devious people tangle with the children leading them off into a series of adventures and misadventures **Books in Print Supplement** ,1985 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
