How Children Understand War and Peace Amiram Raviv, Louis Oppenheimer, Daniel Bar-Tal, 1999-05-14 If we better understood how children and adolescents develop ideas about war conflict and peace might we be able to consciously influence these concepts toward more peaceful orientations Could we then integrate the findings into school systems throughout the world This important collection takes on these two vital questions and provides a solid framework on which to build answers

Forthcoming Books Rose Army, 2003

Understanding Multiculturalism Johannes Feichtinger, Gary B. Cohen, 2014 Offers a comparative critical analysis of multiculturalism as a concept for understanding pluricultural societies and offers historical studies of the Central European experience to show how pluricultural situations can be effectively analyzed and interpreted Critically analyzes the concept of multiculturalism and examines the experience of pluricultural societies in the present and the past Examines the multinational and pluricultural experience of the region in a critical analytic way free of the methodological nationalism that has characterized much of the writing in this field heretofore Contains a non western approach to the understanding of multiculturalism

*Rethinking Islamic Studies* Carl W. Ernst, Richard C. Martin, 2012-11-27 A groundbreaking response to the challenges of interpreting Islamic religion in the post 9 11 and post Orientalist era Rethinking Islamic Studies upends scholarly roadblocks in post Orientalist discourse within contemporary Islamic studies and carves fresh inroads toward a robust new understanding of the discipline one that includes religious studies and other politically infused fields of inquiry Editors Carl W Ernst and Richard C Martin along with a distinguished group of scholars map the trajectory of the study of Islam and offer innovative approaches to the theoretical and methodological frameworks that have traditionally dominated the field In the volume s first section the contributors reexamine the underlying notions of modernity in the East and West and allow for the possibility of multiple and incongruent modernities This opens a discussion of fundamentalism as a manifestation of the tensions of modernity in Muslim cultures

The second section addresses the volatile character of Islamic religious identity as expressed in religious and political movements at national and local levels In the third section contributors focus on Muslim communities in Asia and examine the formation of religious models and concepts as they appear in this region This study concludes with an afterword by accomplished Islamic studies scholar Bruce B Lawrence reflecting on the evolution of this post Orientalist approach to Islam and placing the volume within existing and emerging scholarship Rethinking Islamic Studies offers original perspectives for the discipline each utilizing the tools of modern academic inquiry to help illuminate contemporary incarnations of Islam for a growing audience of those invested in a sharper understanding of the Muslim world MultiCultural Review ,1999
