Understanding John Barth:

Understanding John Barth Stanley Fogel, Gordon Slethaug, 1990 The main aim of this work is to provide a comprehensive guide to the major writings of John Barth the author of *The Floating Opera* *The End of the Road* *Chimera* *The Tidewater Tales* *A Novel* and other works With roots in the 20 century existential tradition Barth sees human beings stripped of their beliefs in universal values and systems of belief in God tradition reason or literary formulations He is concerned about the kinds of choices that fulfill human and artistic potential and those that lead to failure and he is equally concerned about how those choices affect the environment Art to him shapes an awareness not only of literature itself but of self culture and history so he tries to review these areas against the grain
