Understanding Popular Culture

John Fiske

Understanding Popular Culture:

Understanding Popular Culture John Fiske, 1996 *Understanding Popular Culture* John Fiske, 1989 *Understanding Popular Culture* takes an approach to studying such cultural artifacts as jeans shopping malls tabloid newspapers and TV game shows which remains relevant in the 21st century Fiske differentiates between mass culture the cultural products put out by an industrialized capitalist society and popular culture the ways in which people use abuse and subvert these products to create their own meanings and messages Rather than focusing on mass culture s attempts to dominate and homogenize he prefers to look at and revel in popular culture s evasions and manipulations of these attempts **Understanding Popular Culture** Steven L. Kaplan, 1984 No detailed description available for *Understanding Popular Culture* **Reading the Popular** John Fiske, 2017-12-04 This revised edition of a now classic text includes a new introduction by Henry Jenkins explaining Why Fiske Still Matters for today s students followed by a discussion between former Fiske students Kevin Glynn Jonathan Gray and Pamela Wilson on the theme of Reading Fiske and Understanding the Popular Both underline the continuing relevance of this foundational text in the study of popular culture Beneath the surface of the cultural artifacts that surround us shopping malls popular music the various forms of television lies a multitude of meanings and ways of using them not all of them those intended by their designers In *Reading the Popular* John Fiske analyzes these popular texts to reveal both their explicit and implicit and often opposite meanings and uses and the social and political dynamics they reflect Fiske s readings of these cultural phenomena highlight the conflicting responses they evoke Madonna may be promoted as a boy toy but young girls feel empowered by her ability to toy with boys Chicago s Sears Tower may be a massive expression of capitalist domination but it can also allow one to tower over the city In each case it is the latter option that interests him for this is where Fiske locates popular culture it is the point at which people take the goods offered them by industrial capitalism however oppressive they may seem and turn them to their own creative and even subversive uses Designed as a companion to *Understanding Popular Culture* *Reading the Popular* gives the lie to theories that portray a mass audience that mindlessly consumes every product it is offered Fiske s acute perception and lively wit combine to provide a truly democratic vision of popular culture one that respects the awareness and the agency of the people who make it *Understanding Popular Culture* John Fiske, 1989-01-01 This study attempts to outline a theory of popular culture in capitalist societies It is published simultaneously and as an extension of *Reading the Popular* an analysis of key sites and texts where culture is made ranging from the beach to Madonna from TV News to Sears Tower *Understanding Popular Music* Roy Shuker, 1994 Explores the history and meaning of rock and popular music **Cultural Echoes** Dr. Priyanka Joshi, 2024-06-03 Exploring the Depths of Popular Culture Dive into Exploring the Depths of Popular Culture a comprehensive guide that unravels the complexities of cultural expressions shaping societies worldwide Introduction to Popular Culture Start with a foundational understanding of culture and its variations from folk and mass culture to high and low culture Trace the historical evolution of popular culture

its influence in literature and its role in the contemporary world and a special focus on gender studies

The Oxford Handbook of Early Modern European History, 1350-1750 Hamish M. Scott, 2015 This Handbook re-examines the concept of early modern history in a European and global context The term early modern has been familiar especially in Anglophone scholarship for four decades and is securely established in teaching research and scholarly publishing More recently however the unity implied in the notion has fragmented while the usefulness and even the validity of the term and the historical periodisation which it incorporates have been questioned The Oxford Handbook of Early Modern European History 1350 1750 provides an account of the development of the subject during the past half century but primarily offers an integrated and comprehensive survey of present knowledge together with some suggestions as to how the field is developing It aims both to interrogate the notion of early modernity itself and to survey early modern Europe as an established field of study The overriding aim will be to establish that early modern is not simply a chronological label but possesses a substantive integrity Volume I examines Peoples and Place assessing structural factors such as climate printing and the revolution in information social and economic developments and religion including chapters on Orthodoxy Judaism and Islam

The Wiley Blackwell Encyclopedia of Consumption and Consumer Studies Daniel Thomas Cook, J. Michael Ryan, 2015-03-02 With entries detailing key concepts persons and approaches The Wiley Blackwell Encyclopedia of Consumption and Consumer Studies provides definitive coverage of a field that has grown dramatically in scope and popularity around the world over the last two decades Includes over 200 A Z entries varying in length from 500 to 5 000 words with a list of suggested readings for each entry and cross references as well as a lexicon by category and a timeline Brings together the latest research and theories in the field from international contributors across a range of disciplines from sociology cultural studies and advertising to anthropology business and consumer behavior Available online with interactive cross referencing links and powerful searching capabilities within the work and across Wiley's comprehensive online reference collection or as a single volume in print www.consumptionandconsumerstudies.com

Understanding Popular Culture John Fiske, 2004

Television and the Self Kathleen M. Ryan, Deborah A. Macey, 2013-04-05 Sitting prominently at the hearth of our homes television serves as a voice of our modern time Given our media saturated society and television's prominent voice and place in the home it is likely we learn about our society and selves through these stories These narratives are not simply entertainment but powerful socializing agents that shape and reflect the world and our role in it Television and the Self Knowledge Identity and Media Representation brings together a diverse group of scholars to investigate the role television plays in shaping our understanding of self and family This edited collection's rich and diverse research demonstrates how television plays an important role in negotiating self and goes far beyond the treacly very special episodes found in family sitcoms in the 1980s Instead the authors show how television reflects our reality and helps us to sort out what it means to be a twenty first century man or woman

Heritage Studies - A Compendium Dr. Priyanka Joshi, 2024-05-29 Heritage Studies A

Compendium is a comprehensive compilation of ideologies and facts related to Heritage Studies meticulously designed for students under India's New Education Policy NEP. This book emerged from the recognition that no single resource currently covers the entire syllabus comprehensively making it an invaluable reference for students. Crafted to be both informative and accessible, this essential guide is ideal for anyone studying Heritage Conservation, Heritage Management or any other aspect of Heritage Studies. It encompasses a broad spectrum of topics providing detailed information and thorough discussions on various terms and notions. Readers will explore the local heritage of Maharashtra, the national heritage of India and world heritage. The aim of this book is to offer a deep understanding of our rich and diverse heritage presenting complex concepts in a student-friendly manner. Whether you are a novice student or an enthusiast seeking to expand your knowledge.

Television Studies Jonathan Gray, Amanda D. Lotz, 2012. Major short introduction to the field of television studies. Clearly lays out the birth of this discipline, shows its links with other fields of study and explains key concepts and theoretical debates. Includes interview material with scholars whose work has defined the field.

Understanding Popular Music Culture Roy Shuker, 2012-12-07. This extensively revised new edition of *Understanding Popular Music Culture* provides an accessible and comprehensive introduction to the production, distribution, consumption and meaning of popular music and the difficulties and debates that surround the analysis of popular culture and popular music. Reflecting the continued expansion of popular music studies, the changing music industry and the impact of new technologies, Roy Shuker explores key subjects that shape our experience of music including music production, musicians and stars, musical texts, music video and MTV audiences and fans, scenes and subcultures and music as political activism and ideology. This heavily revised and updated fourth edition includes the role of social network sites, marketing and music retail, the decline of the traditional model of the sound recording companies, music genres, cover songs and the album canon, case studies of artists such as Robert Johnson, the Sex Pistols, Shania Twain and Lady Gaga, a comprehensive discography based around musical metagenres along with suggestions for further reading, listening and viewing. The book now has an accompanying website with focus questions and further study activities for each chapter, additional case studies and links to relevant websites.

ThirdWay, 2005-03. Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics and culture.

An Introduction to Popular Culture in the US Jenn Brandt, Callie Clare, 2018-01-25. The first introductory textbook to situate popular culture studies in the United States as an academic discipline with its own history and approach to examining American culture, its rituals, beliefs and the objects that shape its existence.

Understanding Mass Communication Melvin Lawrence DeFleur, Everette E. Dennis, 1998.

Understanding Popular Culture of Modern Bengal, 2024. [Congress Proceedings XIII, March 1994, University of Cape Town](#), 1995.

The University of Wales and Its Constituent Colleges William Cadwaladr Davies, William Lewis Jones, 1905.
