Understanding Prayer

Edward Jacob Boyce

Understanding Prayer:

Understanding Prayer E. M. Bounds, 2013-03-01 Prayer doesn't have to be mysterious and Understanding Prayer will clearly explain the purpose, power, and potential of regular conversation with God. This brand new compilation from the writings of E. M. Bounds, a noted authority on prayer from the nineteenth century, will show you the elements of effective, God-pleasing prayer. Whether he's discussing the proper mindset for prayer, the prayer lives of Bible characters, or the role of the Holy Spirit in our prayers, Bounds makes practical application to every believer today. Text has been lightly updated for ease of reading and space is provided for readers to record their own thoughts and observations. **Pray Like This** Rodney A. Werline, 2007-05-21 Werline encourages us to look at prayer in the following way: to attempt to understand how prayers are tied to particular cultural and social settings. Prayers are part of and expressions of a collection of cultural ideas that have been arranged within a system that seems coherent and obvious to those writings. The biblical texts Prayers participate in and express a person's worldview. Werline shows the ways that though many biblical prayers are familiar to us, biblical texts and contemporary readers come from different worlds. The Hebrew Bible and the New Testament contain many prayers. Large volumes have been written on prayer within a single book or within the writings of one author like Paul or an individual prayer such as the Lord's Prayer. Werline does not examine every prayer in the Bible or even write exhaustively on a single prayer. He has highlighted a few significant features of each prayer, and some of the prayers vividly exhibit the influence of a particular society's vision. For example, he examines the prayers of 1 and 2 Kings and 1 and 2 Chronicles because of the ways they are tightly tied to the authors' views of history. The writers' interpretation of history profoundly influenced significant portions of the Bible as well as the literature of early Judaism. **Why We Pray** John C. Peckham, 2024-07-23 Christianity Today 2025 Book Award Finalist Academic Theology If God is all powerful, all knowing, and entirely good, why do we need to ask God to do good things? Won't God act for the best regardless? Do our prayers even make a difference? Why do some go unanswered? This brief, accessible book provides a fresh angle on our questions to help us think differently about why we pray and what happens when we pray. John Peckham applies the insights from his successful book *Theodicy of Love* to the perennial problem of petitionary prayer, offering practical implications for how we might pray and live in ways that advance God's kingdom of unselfish love. Since our understanding of petitionary prayer is inseparable from our understanding of God, Peckham sheds significant light on the nature and character of God and the often-mysterious workings of divine providence. He does so by bringing theological and philosophical nuance to readings of key biblical texts on prayer, weaving in other scriptural clues to articulate an understanding of prayer that highlights not only its necessity but also its urgency. This book will appeal to students, pastors, church leaders, and thoughtful laypeople. **The Spirit of Wisdom in Understanding Prayer and Faith**, *Understanding Prayer* Sam Storms, 2025-05-06 A Comprehensive Theological Guide to the Practice and Power of Prayer In *Understanding Prayer*, author, pastor, and scholar Sam Storms unpacks the meaning and power of

prayer through a close reading of Scripture with special focus on the life and ministry of Jesus the apostle Paul and James With scholarly wisdom and pastoral application he addresses topics like persisting in prayer praying for pleasure and warfare prayer exploring how prayer is a profoundly supernatural experience He also addresses several controversial texts and challenging questions about prayer including Does prayer really change anything Why praying in Jesus s name is not a magical incantation The most shocking prayer the apostle Paul never prayed How we can ask God for wisdom to make sense of the seemingly senseless Suffering healing and the prayer of faith How prayer brings us peace and imparts spiritual wisdom Understanding Prayer is an indispensable resource serving as both a comprehensive analysis and a practical guide for those seeking God through prayer It offers a journey into the heart of prayer transforming it from a mere ritual to a deeply personal spiritual experience that develops and grows our knowledge understanding and hunger for God

Understanding Prayer for the Dead James B Gould,2017-08-31 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises

Biblical Understanding of Prayer Brunilda Rodriguez, 2022-10-04 When Aquila and Priscilla heard him they took him aside and explained to him the way of God more accurately Acts 18:24-28 NKJV Though Apollos taught eloquently he only had partial knowledge of God's Word he only knew the baptism of John He was missing the essential part of the gospel Jesus Christ Aquila and Priscilla took the time to explain the ways of God more accurately The objective of the Biblical Understanding series is just that it can be used as a tool that teaches God's Word in a more accurate way by giving details of the topics it covers The Bible is the only book that can transform lives and prepare man for eternity But many people lack understanding of Scripture The purpose for the Biblical Understanding series is to give deep insight of God's Word for those who hunger for true biblical knowledge Lack of knowledge and misinterpretation of Scripture is a potential door to heresy Simple reading of Scripture is not enough to reach a deeper understanding of God's Word These series of books touch on topics that involve hundreds of hours of deep and careful study that will provide answers to questions that may be overlooked The Biblical Understanding series books it like a Sunday school teacher on paper As a teacher author Brunilda Rodriguez gives detailed information that is believed to help the believer grow The series is a step by step simple to understand concise yet detailed guide in every topic that it covers This series is regarding prayer This teaching of prayer could be an addition to the other wonderful books with the topic of prayer With the help of the Holy Spirit the reader will obtain a deeper understanding of what prayer is
