[PROSPERITY GOSPEL - and its effect on the 21st Century Church - A Historical and Theological perspective on the Prosperity Gospel](#) DR. JEFFERY B. BOWENS, 2012-01-27 The Prosperity Gospel has been one of the most talked about discussions of the 21st century particularly within the Christian Community. The battle line has been drawn by prominent theologians, influential scholars, pundits, and televangelists alike who are on different sides of this debate and no one is conceding ground to anyone else. The narrow view simply places emphasis and focus on a more capitalistic view of prosperity such as exquisite homes, fashionable wardrobes, excessive wealth, expensive cars, material and temporal possessions. Things which are tangible and are seen have come to symbolize for many prosperity and achieving the American dream. On the other hand, the broader perspective of prosperity is associated with possessing good health, accomplishing one's goals, experiencing a changed life, having a healthy home life, seeing others become productive members of society, and maintaining a perpetual fellowship with the creator. Wherefore, this material will help the reader to be more distinct and precise in defining the different nuances of prosperity from a historical and theological perspective.

*Learning to Walk on Water* Dr. Corey Endsley, 2015-01-23 Being limited in life is a helpless feeling The mentality of our society today is limited in their finances relationships knowledge and even in health The enemy knows that if he can keep you limited he will keep you from becoming a threat to his kingdom What if you could be limitless What if you were free to give when God said give or go when God said to go It is not impossible It will take faith and a new mentality to believe God can use you as his instrument Jesus taught the importance of having faith and the benefits of having a limitless mentality Faith got Peter out of the boat but his limited mentality made him sink None of us have arrived *Learning to Walk on Water* is a journey that every Christian must take If we desire to be used by God to the fullest we need to step beyond the confines of a limited mentality and do as Peter did He learned to walk on water
