## Then Im Me:

**The New Testament ... In which All the Proper Names and Words of Two Syllables and More are Divided and Accented as They Should be Pronounced**, 1863 **Ibis** Justin Haynes, 2025-02-11 This brilliant shape shifting novel teems with charms and curses stunning disasters and startling moments of grace Jenny Offill author of *Dept of Speculation* and *Weather* A bold witty magical new voice in fiction Justin Haynes weaves a cross generational Caribbean story of migration superstition and a search for family in the novel *Ibis* There is bad luck in New Felicity The people of the small coastal village have taken in Milagros an 11 year old Venezuelan refugee just as Trinidad s government has begun cracking down on undocumented migrants and now an American journalist has come to town asking questions New Felicity s superstitious fishermen fear the worst certain they ve brought bad luck on the village by killing a local witch who had herself murdered two villagers the year before The town has been plagued since her death by alarming visits from her supernatural mother as well as by a mysterious profusion of scarlet ibis birds Skittish that the reporter s story will bring down the wrath of the ministry of national security the fishermen take things into their own hands From there we go backward and forward in time from the town s early days when it was the site of a sugar plantation to Milagros s adulthood as she searches for her mother across the Americas In between through the voices of a chorus of narrators we glimpse moments from various villagers lives each one setting into motion events that will reverberate outwards across the novel and shape Milagros s fate With kinetic absorbing language and a powerful sense of voice *Ibis* meditates on the bond between mothers and daughters both highlighting the migrant crisis that troubles the contemporary world and offering a moving exploration of how to square where we come from with who we become *The Novels and Miscellaneous Works of Daniel Defoe* Defoe, 1840 *A Very Old Man* Italo Svevo, 2022-08-30 A newly translated collection of fiction by the influential Italian modernist continuing on his landmark work *Zeno s Conscience* *A Very Old Man* collects five linked stories parts of an unfinished novel that the great Triestine Italo Svevo wrote at the end of his life after the international success of *Zeno s Conscience* in 1923 Here Svevo revisits with new vigor and agility themes that fascinated him from the start aging deceit and self deception as well as the fragility fecklessness and plain foolishness of the bourgeois paterfamilias even as memories of the recent terrible slaughter of World War I and the contemporary rise of Italian fascism also cast a shadow over the book s pages It opens with *The Contract* in which Zeno s manager the hardheaded young Olivi expresses like the war veterans who were Mussolini s early followers a sense of entitlement born of fighting in the trenches Zeno by contrast embodies the confusion and paralysis of the more decorous although sleepy way of life associated with the onetime Austro Hungarian Empire which for so long ruled over Trieste but has now been swept away As always Svevo is attracted to the theme of how people fail to fit in It is they he suggests who offer a recognizably human countenance in a world ravaged by the ambitions and fantasies of its true believers *Adventure*, 1918 **So What Do I Do?** G J Griffiths, 2015-06-08 I enjoyed the slow pace as it built up steam towards a

rewarding climax that left me in thought for longer than most best selling thrillers The reader is plunged into some very difficult times and throughout we laugh rarely and cry often as the story unfolds In So What Do I Do police constable Nigel Shantra has been promoted and returns as a detective He is determined to bring to justice a serious adversary of his a school bully from the first novel When a conspiracy to defraud the local populace devised by two apparently respectable but unscrupulous pillars of the community goes disastrously wrong it results in an intriguing case for detective Shantra to solve The traumatic events that follow will prove to affect the incompetent pair of criminals who were hired by the swindling conspirators as well as the teachers and pupils of Birch Green High School And just what does a class of cheeky chimps and a large black spider monkey have to do with the traumatic events surrounding Hodgson s Hide the legacy of retired Technology teacher Gil Hodgson Recently promoted Molly discovers that the pressures of helping newly qualified teachers has no comparison to the eventual strain that she and her colleagues experience when an ex pupil of the school decides it s time for payback This man will prove to be far more ruthless and cruel than anyone could have imagined all in order to achieve his criminal ambitions But he is just as likely to turn his attention towards anyone who upsets his plans with terrifying consequences for those who won t comply with his wishes
