**Seeking Truth** Clinton Bezan,2020-12-11 Today people are searching for truth in a world embroiled by contradiction misinformation and blatant lies that have created confusion division and mistrust in society The fear generated through terrorism and the handling of the global covid 19 pandemic have many questioning the future of mankind and turning to God for answers For those genuinely seeking redemption through Jesus Christ the tarnished reputation of the established Christian church offers little clarity in the path to salvation and serves as a living testimony to the fallen state of man Where does one begin to sort through the soupy mess that religion has become and discover the true meaning of Christianity In a revealing and illuminating examination of scripture history and the authentic Christian message Clinton Bezan dispels the fallacies and half truths propagated through Christian history by errant religious dogma and traditions There is a distinct paradox that organized religion fails to recognize in its efforts to maintain growth and influence in a civilization that is increasingly devoid of moral legitimacy and is struggling to maintain its sense of purpose amid the volatile and fluid post

truth culture It is only by returning to the basic premise of faith in Christ that there is hope for peace and purpose in the Christian life

Oxbowl Incident Taylor Samuel Lyen, 2010-11-01 In the Land of Ox Clayton Thomas Moore is a righteous follower of Christ but he is also a student of evolutionary biology Moore has found a way to mix science and Christianity and in the process bring enlightenment to both sides of the spectrum However in the Land of Ox there is a strong divide between science and religion Because of this divide Moore is brought up on charges Moore must appear before the Oxian Supreme Court and answer for his actions He is guilty of unsettling the faith science split threatening the cultural equilibrium in the Land of Ox As Moore prepares to defend his case before the Oxian Supreme Court justices though it becomes apparent that the Supreme Court justices are deeply divided along lines of religious belief Oxbowl Incident is a religious courtroom drama that argues for the validity of science and religion Although the case of Moore vs Oxbowl is fictitious the farce is not far from the truth as modern society wrestles with similar quandaries Will the Oxian Supreme Court hand down punishment upon Clayton Thomas Moore Or will the varied beliefs of the Oxian justices leave Moore to be the last man standing in this battle of Christian faith

*Скорина и скориниана* Вячаслаў Шалькевіч, 2001 **The God of Small Places** Glenn Daman, Jeffrey Clark, 2026-02-13 The rural church is facing a crisis Churches are struggling to find pastors and many are being closed by denominations that

would rather focus their resources on urban ministries As a result rural communities are becoming a spiritual wasteland where people are unreached with the gospel and a gospel driven church is no longer present to give them the hope of salvation Today there is a need for a new theological vision for rural ministry that sees rural ministry as an expression of the Great Commission and an outgrowth of God s character The purpose of this book is to develop a theological vision for rural ministry by describing how the theology of God s character and purpose gives purpose vision and perspective for rural churches and communities It serves a clarion call for a new vision for the spiritual transformation of rural communities that is grounded in an understanding of God and his desire for the salvation of rural people
