

# wild geese

You do not have to be good.  
You do not have to walk on your knees  
for a hundred miles through the desert repenting.  
You only have to let the soft animal of your body  
love what it loves.  
Tell me about despair, yours, and I will tell you mine.  
Meanwhile the world goes on.  
Meanwhile the sun and the clear pebbles of the rain  
are moving across the landscapes,  
over the prairies and the deep trees,  
the mountains and the rivers.  
Meanwhile the wild geese, high in the clean blue air,  
are heading home again.  
Whoever you are, no matter how lonely,  
the world offers itself to your imagination,  
calls to you like the wild geese, harsh and exciting -  
over and over announcing your place  
in the family of things.

**Toward a Latina Feminism of the Americas** Anna Marie Sandoval, 2009-09-15 Weaving strands of Chicana and Mexicana subjectivities Toward a Latina Feminism of the Americas explores political and theoretical agendas particularly those that undermine the patriarchy across a diverse range of Latina authors Within this range calls for a coalition are clear but questions surrounding the process of these revolutionary dialogues provide important lines of inquiry

Examining the works of authors such as Sandra Cisneros, Laura Esquivel, Carmen Boullosa, and Helena María Viramontes, Anna Sandoval considers resistance to traditional cultural symbols and contemporary efforts to counteract negative representations of womanhood in literature and society. Offering a new perspective on the oppositional nature of Latina writers, Sandoval emphasizes the ways in which national literatures have privileged male authors whose viewpoint is generally distinct from that of women, a point of departure rarely acknowledged in postcolonial theory. Applying her observations to the disciplinary, historical, and spatial facets of literary production, Sandoval interrogates the boundaries of the Latina experience. Building on the dialogues begun with such works as Sonia Saldivar's *Hull's Feminism on the Border* and Ellen McCracken's *New Latina Narrative*, this is a concise yet ambitious comparative approach to the historical and cultural connections, as well as disparities, found in Chicana and Mexicana literature.

**Wolves of the Sapphire Sun** C. Joybell C., 2014-02-11

Unleashed, sacred, erotic, otherworldly, palpable, and serene. This one's for the wild ones. The black sheep, the lost ones, the found ones, the ones who are loved, the unforgotten ones. This one's for the wild ones. Designed to be read and pondered upon as a novel made out of poems, these pages will call you into certain depths and ask you to connect the dots wherever there are open spaces. You are impelled to feel and to think. And to chew on this paper until it runs through your veins.

**The Wild One and Her Dragon** ABBY. O'KEEFE, 2025-03-20

This second collection of poems from Abby O'Keefe is a reclamation of the wild one, the inner child, the one who roars with breath full of freedom and flies with confidence beneath her wings. The woman who was born a dragon, tamed by humanity with a desire to unleash herself once more. To the woman who is here to start revolutions and lead herself fearlessly. To the woman who believes in true freedom and sovereignty in her soul voice. To the woman who refuses to settle for less than the happiest, most fulfilling life. To the woman who knows that fear does not define her and doubt does not dictate the path of her life. To the woman who is ready to shatter limited human constructs and create a life steeped in desire. Let's begin.
