## **Wilde Album:**

**Oscar Wilde's Aesthetic Education** Leanne Grech, 2019-04-06 This book focuses on the role that the Oxford classical curriculum has had in shaping Oscar Wilde's aestheticism. It positions Wilde as a classically trained intellectual and outlines the path he took to gain recognition as a writer and promoter of the aesthetic movement. This narrative is conveyed through a broad range of literary sources including Wilde's travel poetry, American lectures, and canonical works like *The Critic as Artist*, *The Soul of Man*, *The Picture of Dorian Gray*, and *De Profundis*. This study proposes that Wilde approached aestheticism as a personalised self-directed learning experience, a mode of self-culture which could be used to maintain an intellectual life outside of the university. It also explores Wilde's thoughts on education and considers the significance of male friendship at Oxford and in Wilde's life and literature.

**Catalogue** American Art Association, Anderson Galleries (Firm), 1920 *Scents & Sensibility* Catherine Maxwell, 2017 Explores Victorian literature through scent and perfume, presenting an extensive range of well-known and unfamiliar texts in intriguing and imaginative new ways that make us re-think literature's relation with the senses. A selection of poems, essays, and fiction exploring these texts with reference to both the little-known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain. It shows how scent and perfume are used to convey not merely moods and atmospheres but the nuances of the aesthete or decadent's carefully cultivated identity, personality, or sensibility.

*Poems and plays* Charles Lamb, 1903 **ANTA Album** ANTA (Organization), *Wilde Album* Merlin Holland, 1998-04-15 The most comprehensive collection of photographs and images of Wilde, compiled by his only grandson Oscar Wilde, was one of the first and unquestionably one of the greatest self-publicists who ever lived. With that exceptional streak of modernity that characterized much of his life and work, he understood the power of the image in his campaign to promote the self. As early as his Oxford days, he had himself photographed with his contemporaries in loud, checked suits of the latest fashion. The Wilde Album now publishes more of these images of Oscar than have ever been seen together before, as well as later photographs, some previously unpublished from the family archive, including rare snapshots of Oscar in his last years in Italy, the famous sitting in New York for Napoleon Sarony in fur coat and velvet suit, and the good, the bad, and the vicious caricatures, cartoons, and lithographs. In the accompanying text, Merlin Holland examines Wilde's life as reflected in the photographs and images, paying particular attention to his relationships with friends, family, and lovers, as well as the

profound influence of his Irish upbringing He also investigates the reasons for the adverse opinions his work engendered and the background to the famous legal battles that finally led to imprisonment and exile The Works of Charles and Mary Lamb Charles Lamb,1924 Biography ,2000 *The Hahnemannian Monthly* ,1914 **Catalog** Walter M.
