The Mormon Way:

The Mormon Way of Doing Business Jeff Benedict, 2007-01-03 An unprecedented look at how the Mormon faith has shaped some of today's most successful CEOs and businessmen The Founder of JetBlue The CEO of Dell Computers The CEO of Deloitte Touche The Dean of the Harvard Business School They all have one thing in common They are devout Mormons who spend their Sundays exclusively with their families never work long hours and always put their spouses and children first How do they do it Now critically acclaimed author and investigative journalist Jeff Benedict a Mormon himself examines these highly successful business execs and discovers how their beliefs have influenced them and enabled them to achieve incredible success With original interviews and unparalleled access Benedict shares what truly drives these individuals and the invaluable life lessons from which anyone can benefit The Mormon Way Claton Silas Rice, 1929 *The Mormon Way* Claton Silas Rice, 1929 *The Mormon Way* James A. Warner, Styne M. Slade, 1976 *The Mormon Way of Doing Business* Jeff Benedict, 2008 **The Mormon Way of Life** Carole Hemard, 1994 **Unveiling Grace** Lynn K. Wilder, 2013-08-20 A gripping story of how an entire family deeply enmeshed in Mormonism for thirty years found their way out and found faith in Jesus Christ For thirty years Lynn Wilder once a tenured faculty member at Brigham Young University and her family lived in loved and promoted the Mormon Church Then their son Micah serving his Mormon mission in Florida had a revelation God knew him personally God loved him And the Mormon Church did not offer the true gospel Micah's conversion to Christ put the family in a tailspin They wondered Have we believed the wrong thing for decades If we leave Mormonism what does this mean for our safety jobs and relationships Is Christianity all that different from Mormonism anyway As Lynn tells her story of abandoning the deception of Mormonism to receive God's grace she gives a rare look into Mormon culture what it means to grow up Mormon and why the contrasts between Mormonism and Christianity make all the difference in the world Whether you are in the Mormon Church are curious about Mormonism or simply are looking for a gripping story Unveiling Grace will strengthen your faith in the true God who loves you no matter what *The Mormon Puzzle, and how to Solve it* R. W. Beers, 1887 THE LONG WAY AROUND Nicolas Strong, 2024-10-20 Nicolas Strong has reached a place in life where there is contentment peace and fulfillment But getting there was not a straight path As the title of his memoir suggests Nicolas took the long way around learning life's lessons in sometimes harsh and dangerous ways His is a story of resilience and accountability of believing in oneself and standing firm when one's world is wavering His is a story of survival physical and emotional and proves that a man's character is not determined by his upbringing but is embedded in his soul and nurtured by the dictates of his own heart Contemporary Mormonism Marie Cornwall, Tim B. Heaton, Lawrence Alfred Young, 2001 Contemporary Mormonism is the first collection of sociological essays to focus exclusively on Mormons Featuring the work of the major scholars conducting social science research on Mormons today this volume offers refreshing new perspectives not only on Mormonism but also on the nature of successful religious movements secularization and assimilation church growth

patriarchy and gender roles and other topics This first paperback edition includes a new introduction assessing the current state of Mormon scholarship and the effect of the globalization of the LDS Church on scholarly research about Mormonism
