The Secret History of UK Security Vetting from 1909 to the Present Daniel Lomas,2025-05-15 This book draws from newly released archival material Freedom of Information releases and interviews to expertly craft the first substantive examination of the impact of vetting on BAME and LGBT groups and the legacy of the bar

Freedom of Information Patrick Birkinshaw,2010-04-01 Enacted in 2000 and in operation in the UK since 2005 the Freedom of Information FOI Act has revealed information which has generated calls for constitutional reform A massive information jurisprudence has developed through the decisions of the Information Commissioner the Information Tribunal and the courts Governments responses to the war on terror have involved increased resort to claims of national security and accompanying secrecy but these developments have to exist alongside demands for FOI and transparency FOI has to balance access to and protection of personal information and major amendments have been made to the Data Protection Act in order to balance the competing demands of transparency and privacy This detailed discussion of FOI laws and personal data laws examines the historical development of secrecy national security and government and their modern context

India's Near East Avinash Paliwal,2024-07-31 Celebrated as a theatre of geo economic connectivity typified by the Act East policy India s near east is key not only to its great power rivalry with China which first boiled over in the 1962 war but to the idea s of India itself It is also one of the most intricately partitioned lands anywhere on Earth Rent by communal and class violence the region has birthed extreme forms of religious and ethnic nationalisms and communist movements The Indian state s survival instinct and pursuit of regional hegemony have only accentuated such extremes This book scripts a new history of India s eastward looking diplomacy and statecraft Narrated against the backdrop of separatist resistance within India s own northeastern states as well as rivalry with Beijing and Islamabad in Myanmar and Bangladesh it offers a simple but compelling argument The aspirations of Act East mask an uncomfortable truth India privileges political stability over economic opportunity in this region In his chronicle of a state s struggle to overcome war displacement and interventionism Avinash Paliwal lays bare the limits of independent India s influence in its near east

[Information Rights](#) Philip Coppel,2014-12-01 This is the fourth edition of what is the leading practitioner s text on freedom of information law Providing in depth legal analysis and practical guidance it offers complete authoritative coverage for anyone either making handling or adjudicating upon requests for official information The three years since the previous edition have seen numerous important decisions from the courts and tribunals in the area These and earlier authorities supply the basis for

clear statements of principle which the work supports by reference to all relevant cases The book is logically organised so that the practitioner can quickly locate the relevant text It commences with an historical analysis that sets out the object of the legislation and its relationship with other aspects of public law Full references to Hansard and other Parliamentary materials are provided This is followed by a summary of the regime in five other jurisdictions providing comparative jurisprudence which can assist in resolving undecided points The potential of the Human Rights Act 1998 to support rights of access is dealt with in some detail with reference to all ECHR cases Next follows a series of chapters dealing with rights of access under other legislative regimes covering information held by EU bodies requests under the Data Protection Act and the Environmental Information Regulations public records as well as type specific rights of access These introduce the practitioner to useful rights of access that might otherwise be overlooked They are arranged thematically to ensure ready identification of potentially relevant ones The book then considers practical aspects of information requests the persons who may make them the bodies to whom they may be made the time allowed for responding the modes of response fees and vexatious requests the duty to advise and assist the codes of practice government guidance and its status transferring of requests third party consultation The next 13 chapters comprising over half the book are devoted to exemptions These start with two important chapters dealing with general exemption principles including the notions of prejudice and the public interest The arrangement of these chapters reflects the arrangement of the FOI Act but the text is careful to include analogous references to the Environmental Information Regulations and the Data Protection Act 1998 With each chapter the exemption is carefully analysed starting with its Parliamentary history giving full references to Hansard and other Parliamentary material and the treatment given in the comparative jurisdictions The analysis then turns to consider all court judgments and tribunal decisions dealing with the exemption The principles are stated in the text with footnotes giving all available references Whether to prepare a case or to prepare a response to a request these chapters allow the practitioner to get on top of the exemption rapidly and authoritatively The book concludes with three chapters setting out the role of the Information Commissioner and the Tribunal appeals and enforcement The chapter on appeals allows the practitioner to be familiar with the processes followed in the tribunal picking up on the jurisprudence as it has emerged in the last eight or so years Appendices include precedent requests for information a step by step guide to responding to a request comparative tables and a table of the FOI Act s Parliamentary history Finally the book includes an annotated copy of the FOIA Act the Data Protection Act 1998 the Environmental Information Regulations 2004 all subordinate legislation made under them EU legislation Tribunal rules and practice directions and the Codes of Practice Contributors Prof John Angel former President of the Information Tribunal Richard Clayton QC 4 5 Gray s Inn Square Joanne Clement 11 KBW Gerry Facena Monkton Chambers Eleanor Gray QC

Digital Privacy, Terrorism and Law Enforcement Simon Hale-Ross, 2018-07-06 This book examines the UK s response to terrorist communication Its principle question asks has individual privacy and collective

security been successfully managed and balanced The author begins by assessing several technologically based problems facing British law enforcement agencies including use of the Internet the existence of darknet untraceable Internet telephone calls and messages smart encrypted device direct messaging applications and commercially available encryption software These problems are then related to the traceability and typecasting of potential terrorists showing that law enforcement agencies are searching for needles in the ever expanding haystacks To this end the book examines the bulk powers of digital surveillance introduced by the Investigatory Powers Act 2016 The book then moves on to assess whether these new powers and the new legislative safeguards introduced are compatible with international human rights standards The author creates a digital rights criterion from which to challenge the bulk surveillance powers against human rights norms Lord Carlile of Berriew CBE QC in recommending this book notes this particular legal advancement commenting that rightly so the author concludes the UK has fairly balanced individual privacy with collective security The book further analyses the potential impact on intelligence exchange between the EU and the UK following Brexit Using the US as a case study the book shows that UK laws must remain within the ambit of EU law and the Court of Justice of the European Union s CJEU s jurisprudence to maintain the effectiveness of the exchange It addresses the topics with regard to terrorism and counterterrorism methods and will be of interest to researchers academics professionals and students researching counterterrorism and digital electronic communications international human rights data protection and international intelligence exchange 2008
