Studies in the Scriptures Charles Taze Russell,1953 **102 Fascinating Bible Studies on the New Testament** Dr. William H. Marty,2019-04-16 Offering quick high quality food for the soul 102 Fascinating Bible Studies on the New Testament provides breadth and depth in short but satisfying servings for the busy Christian who wants to delve deep into God s Word but is short on time those who don t want to commit to weeks of study on a single topic the small group searching out subjects for their next study Organized by category these accessible and intriguing offerings span the entire New Testament Topics include the temptations of Jesus miracles the words of Christ on the cross and the Antichrist Each study includes an introduction and Scripture references accompanied by questions that open the door to lively discussion reflection or further investigation The practicality of the fast paced format the scope of the content and the possibilities for ongoing study make these studies truly fascinating *Studies in Scripture* Robert Millett,2004-03-01 **Studies in Scripture** Robert L. Millet,Kent P. Jackson,1986 [Jesuit Biblical Studies after Trent](#) Luke Murray,2019-08-12 In the field of biblical hermeneutics one area which scholarship has neglected is Catholic biblical scholarship during the early modern era A brief look through a standard textbook on hermeneutics reveals the all to common jump from Luther Calvin and the other Reformers straight to Spinoza and the pioneers of the historical critical method Catholic figures during the Reformation and afterward are often considered too reliant on tradition too entrenched in dogmatic disputes and too ignorant of historical methods to be taken as serious scholars of Scripture In this timely work Dr Murray addresses these misconceptions and systematically shows why they are inadequate and a more nuanced judgment is needed Beginning with a

much needed overview of contemporary scholarship the work examines the historical context and key influences on the Catholic approach to the Bible After addressing the Council of Trent and the Jesuit Order it then examines two influential Jesuit biblical scholars in the next two chapters the Spanish Cardinal Franciscus Toletus 1532 1596 and the great Flemish exegete Cornelius a Lapide 1567 1637 Dr Murray examines the life works secondary literature and biblical hermeneutics of both great scholars showing that Catholics just like their Reformed brethren could be serious and quality exegetes While they lacked the historical knowledge and tools of today the work shows that the Jesuits were pioneers in showing how their faith and devotion could be compatible with a historical and scientific study of Scripture Jesuit Biblical Studies After Trent is a must read for those seeking to understand how Catholics were approaching the Bible after the Reformation and for those seeking to learn how to integrate their personal faith with a scientific study of Scripture

Understanding the Bible as a Scripture in History, Culture, and Religion James W. Watts, 2021-04-27 UNDERSTANDING THE BIBLE AS A SCRIPTURE IN HISTORY CULTURE AND RELIGION The Bible is a popular subject of study and research yet biblical studies gives little attention to the reason for its popularity its religious role as a scripture Understanding the Bible as a Scripture in History Culture and Religion integrates the history of the religious interpretation and ritual uses of biblical books into a survey of their rhetoric composition and theology in their ancient contexts Emphasizing insights from comparative studies of different religious scriptures it combines discussion of the Bible s origins with its cultural history into a coherent understanding of its past and present function as a scripture A prominent expert on biblical rhetoric and the ritualization of books James W Watts describes how Jews and Christians ritualize the Bible by interpreting it by expressing it in recitations music art and film and by venerating the physical scroll and book The first two sections of the book are organized around the Torah and the Gospels which have been the focus of Jewish and Christian ritualization of scriptures from ancient to modern times and treat the history of other biblical books in relation to these two central blocks of the Hebrew Bible and New Testament In addition to analyzing the semantic contents of all the Bible s books as persuasive rhetoric Watts describes their ritualization in the iconic and expressive dimensions in the centuries since they began to function as a scripture as well as in their origins in ancient Judaism and Christianity The third section on the cultural history and scriptural function of modern bibles concludes by discussing their influence today and the controversies they have fueled about history science race and gender Innovative and insightful Understanding the Bible as a Scripture in History Culture and Religion is a groundbreaking introduction to the study of the Bible as a scripture and an ideal textbook for courses in biblical studies and comparative scripture studies
