BIRENDRA NATH SINGH,2020-10-13 Struggles are inbuilt in the system of human life and they automatically start the moment anyone takes birth On the other side life is precious and only a one time gift of God with no provision for Retake or Once More Hence whatever any individual wants to do has to be done in this short life only In order to achieve anything one has to properly plan one s goals or dreams and has to work hard and struggle continuously with rock like strong determinations and be ready to accept all challenges and threats of life Failures are bound to come in the way but one should not be upset by that rather try to learn lessons from those failures Moreover one has to continuously reset one s goals re channelize energy levels boost up moral strengths and confidence and fight back until success is achieved Struggles that people normally undertake could be of any of the following kind i Struggle for Existence ii Struggle for Survival iii Struggle for Success iv Struggle for Excellence They depend on the results one expects out of one s struggles This book revolves around the themes of Struggle for Success and Struggle for Excellence and makes sincere attempts to provide readers with necessary guidelines and time tested principles with the help of numerous interesting and real life incidents examples and heart melting stories of a young man who under all adverse circumstances decides to struggle hard to be successful and ultimately to achieve excellence in life *Vindeon* Tom Oden Ahlqvist,2019-02-28 Vindeon is a brand new fantasy role playing game focusing heavily on immersive acting and fast action rules enabling players to get the most out of their game sessions The Setting The world is not healed The elves dwarves and humans have just begun to recover and rebuild after the devastation wrought by conflict and change But not all Some realms fell in the chaos and now lies in ruins or serve even darker purposes In this time of instability you are trying to find your place in the world There is no telling what fate Vindeon has in store for you or your companions No telling how small or grand adventure looming just beyond the horizon or behind the next bend of the forest trail Player Character You play a character in a darkening torn world who embarks on an adventure or campaign forging your destiny along the way or die trying The world is unforgiving an often brutal but it is not yet bereft of love and joy There will always be hope Embark on these undertakings as one of the three playable races humans dwarves and elves choose from nine unique human dwarven or elven cultures and their culture specific professions to customize your character to fit your preferred play style and acting Or go rogue and create a profession of your own Fate is in your hands Welcome to Vindeon **Rain drops** Kamlakar Gune,2016-08-02 **Desire** Per Bjørnar Grande,2020-07-01 Desire can take many forms Hegel related desire to acceptance Nietzsche to power and Freud to the erotic In novels and plays by Gustave Flaubert Marcel Proust F Scott Fitzgerald and Arthur Miller and music by Lana Del Rey desire operates in a

complex slippery way that eludes philosophical and psychoanalytic attempts to pin it down These and other great works of literature corroborate Ren Girard's understanding of desire as taking shape according to the other's desire The mimetic approach frees desire from the preconceptions of both subject and object oriented psychologies and puts literary criticism in touch with the concrete substance of fictional narratives Drawing on both modern masterpieces and iconic works of contemporary pop culture Per Bjorn Grande sketches a Girardian phenomenology of desire one that sheds new light on the frustrating and repetitive nature of human relations in a world of vanishing taboos **Alfrieda** Emma E.
