Violet Storm:

Storm of Fury: Winds of Legend Andrew Wood,2018-01-16 For as long as Kaven can remember Lantrelia has been at war Yet its foe is not flesh and blood but the eternal rage of the god Na lek Incarnate in a mighty storm called the Fury Na lek s rage has butchered mankind by sending forth armies of supernatural monsters Soon the Fury s attacks will sweep humanity away Determined to become a war hero like his father Kaven sets out on a treacherous quest to stop Na lek With only three companions to aid him he plans to enter the heart of the Fury and face the god himself to plead for mankind s deliverance Yet nothing can prepare Kaven for the truth he will encounter for far greater forces are at work and his quest if successful will come at great cost Will he put an end to Na lek s storm of Fury and prove his worth to his father Or is his duty to his fellow man more important even if it means he is a failure as a son
