Fairy Tales of Slav Peasants and Herdsmen Aleksander Chod_ko,2017-07-11 Fairy Tales of the Slav Peasants and Herdsmen was written in the year 1896 by Aleksander Chodzko This book is one of his most popular novels and has been translated into several other languages around the world THE ABODE OF THE GODS excerpt Once upon a time there were two brothers whose father had left them but a small fortune The eldest grew very rich but at the same time cruel and wicked whereas there was nowhere a more honest or kinder man than the younger But he remained poor and had many children so that at times they

could scarcely get bread to eat At last one day there was not even this in the house so he went to his rich brother and asked him for a loaf of bread Waste of time His rich brother only called him beggar and vagabond and slammed the door in his face The poor fellow after this brutal reception did not know which way to turn Hungry scantily clad shivering with cold his legs could scarcely carry him along

Myths and Folk-tales of the Russians, Western Slavs, and Magyars Jeremiah Curtin,2020-09-28 I remember well the feelings roused in my mind at mention or sight of the name Lucifer during the earlier years of my life It stood for me as the name of a being stupendous dreadful in moral deformity lurid hideous and mighty I remember also the surprise with which when I had grown somewhat older and begun to study Latin I came upon the name in Virgil where it means the Light bringer or Morning star the herald of the sun Many years after I had found the name in Virgil I spent a night at the house of a friend in Milwaukee Wisconsin right at the shore of Lake Michigan The night was clear but without a moon a night of stars which is the most impressive of all nights vast brooding majestic At three o'clock in the morning I woke and being near an uncurtained window rose and looked out Rather low in the east was the Morning star shining like silver with a bluish tinge of steel I looked towards the west the great infinity was filled with the hosts of heaven ranged behind this Morning star I saw at once the origin of the myth which grew to have such tremendous moral meaning because the Morning star was not in this case the usher of the day but the chieftain of night the Prince of Darkness the mortal enemy of the Lord of Light I returned to bed knowing that the battle in heaven would soon begin I rose when the sun was high next morning All the world was bright shining and active glad some and fresh from the rays of the sun the kingdom of light was established but the Prince of Darkness and all his confederates had vanished cast down from the sky and to the endless eternity of God their places will know them no more in that night

again They are lost beyond hope or redemption beyond penance or prayer I have in mind at this moment two Indian stories of the Morning star one Modoc the other Delaware The Modoc story is very long and contains much valuable matter but the group of incidents that I wish to refer to here are the daily adventures and exploits of a personage who seems to be no other than the sky with the sun in it This personage is destroyed every evening He always gets into trouble and is burned up but in his back is a golden disk which neither fire nor anything in the world can destroy From this disk his body is reconstituted every morning and all that is needed for the resurrection is the summons of the Morning star who calls out It is time to rise old man you have slept long enough Then the old man springs new again from his ashes through virtue of the immortal disk and the compelling word of the star Now the Morning star is the attendant spirit or medicine of the personage with the disk and cannot escape the performance of his office he has to work at it forever So the old man cannot fail to rise every morning As the golden disk is no other than the sun the Morning star of the Modocs is the same character as the Lucifer of the Latins

myself a little So he went on climbing higher and higher till he reached the top when he was startled to see twelve strange beings sitting round a huge fire He stopped for a moment but then said to himself What have I to lose Why should I fear God is with me Courage So he advanced towards the fire and bowing respectfully said Good people take pity on my distress I am very poor no one cares for me I have not even a fire in my cottage will you let me warm myself at yours They all looked kindly at him and one of them said My son come sit down with us and warm yourself So he sat down and felt warm directly he was near them But he dared not speak while they were silent What astonished him most was that they changed seats one after another and in such a way that each one passed round the fire and came back to his own place When he drew near the fire an old man with long white beard and bald head arose from the flames and spoke to him thus Aleksander Borejko Chodzko 30 August 1804 27 December 1891 was a Polish poet Slavist and Iranologist He was born in Krzywicz in Russia today s Kryvicy Belarus and attended the University of Vilnius He was a member of the Filaret Association and the Institute of Oriental Studies that was attached to the Ministry of Foreign Affairs of the Russian Empire in Saint Petersburg From 1830 until 1844 he worked as a Russian diplomat in Iran From 1852 until 1855 he worked for the French Foreign Ministry in Paris He succeeded Adam Mickiewicz in the chair of Slavic languages and literatures in the College de France holding the post from 1857 until 1883 He was a member of the Royal Asiatic Society of Great Britain and Ireland and the Societe de Linguistique de Paris **Sixty Folk-tales from Exclusively Slavonic Sources** ,1889 **Fairy Tales of the Slav Peasants and Herdsmen** Aleksander Chodzko,2015-09-23 Fairy Tales of the Slav Peasants and Herdsmen by Aleksander Chodzko Notice This Book is published by Historical Books Limited www publicdomain org uk as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to publications publicdomain org uk This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA publicdomain org uk **SLAV TALES** ALEX CHODSKO, TRANSLATED BY EMILY J.
